1966

THIS ANNUAL
BELONGS TO—
TOM BERRY

BUZZIN'
TO A REAL SWELL
GUY HAVE FUN THIS
SUMMER

THE HORSE
TO THE
BEE LEAVES
ALONE

Tom,
You're really
cute,
and to
know the best
I wish
you
luck
always.
Dave

Tom,
It's been fun having ya
in auto shop, even if it
was just for a few weeks.
Hope to know ya better next year.
Steve Stek.

Tom
Have a great summer
Thanks for a great year
Bruce

Tom.
Xo a REAL GROAT
guy in Auto Shop.
We have had a RIOT
Link's class.
Boyd

Dear Tom
You're a
Peach Silly
to bad Yours
a surfer. Don't
hang ten to much
this summer. See
ya next year.
Love
Marcia

Xo a real
cool guy
that gives
me a lot
of trouble!
Good Luck
to Boyd and You
P.S. Have a
Bitchen Summer
and Be Cool
with the
Girls!!

TREASURE CHEST

PEOPLE . . .

Dear
We sure argued alot
in history this year didn't
we. Have fun this summer, burping.
See ya next year.
Love
Sharon Babb
& Mike (K.)

FOREWORD

Our high school days are filled with cherished memories. Memories of crowded halls, laughter, ringing bells, and PEOPLE.

People who vary in interest, people who participate in various activities, people who are the very core of Bellflower High School. Memories of that last homecoming game, the class picnic, the school dances, the thrill of being a senior, and the feeling of accomplishment when that coveted diploma is handed to you. This is what Bellflower High is, People, and this is our theme. PEOPLE.

As people are reflected in wax floors, in windows, or rain spattered sidewalks, so we plan to reflect the people of BHS.

As the years pass and memories start to haunt, you might find yourself thinking of the class brain or the homecoming queen or the team who fought to bring the school fame, and then you can turn to the Treasure Chest 66 and recall the PEOPLE of Bellflower High.

TO YOU . . .

A devoted teacher, a wise and loyal supporter of Bellfower High School, her cheerful smile and unfaltering desire to assist, always offering a comforting word and a helping hand when one was needed most, she has truly won the respect of faculty and love of students.

These are the words which characterize our choice of dedicatee for the 1966 Treasure Chest.

During her six years at BHS, she has taught English, Business English, Basic Business, Clerical Practice, Office Machines, Typing I, and Typing II.

She received her Bachelor of Arts degree in Business Education from California State College at Los Angeles.

She has been secondary Vice President of the Bellflower Education Association, served as class sponsor, BHS Faculty Club Treasurer and Inter-Club Council sponsor.

Her philosophy of teaching is "to help each student acquire skills and attitudes necessary to become a successful and productive individual.

This is the person to whom all Bucs turn to for advice. For her ability to add pleasure and satisfaction to learning, to be a true friend and to dedicate her all to us: We give our 1966 Treasure Chest to you . . .

Mrs. Harper has a unique and dynamic way of getting a point across to her classes.

MRS. JUANITA HARPER

"Nothing endures but
personal qualities"
Walt Whitman

"A man should first direct himself in the way he should go. Only then should he instruct others."

Buddha

FACULTY

Dr. W. Norman Wampler, Superintendent of Schools.

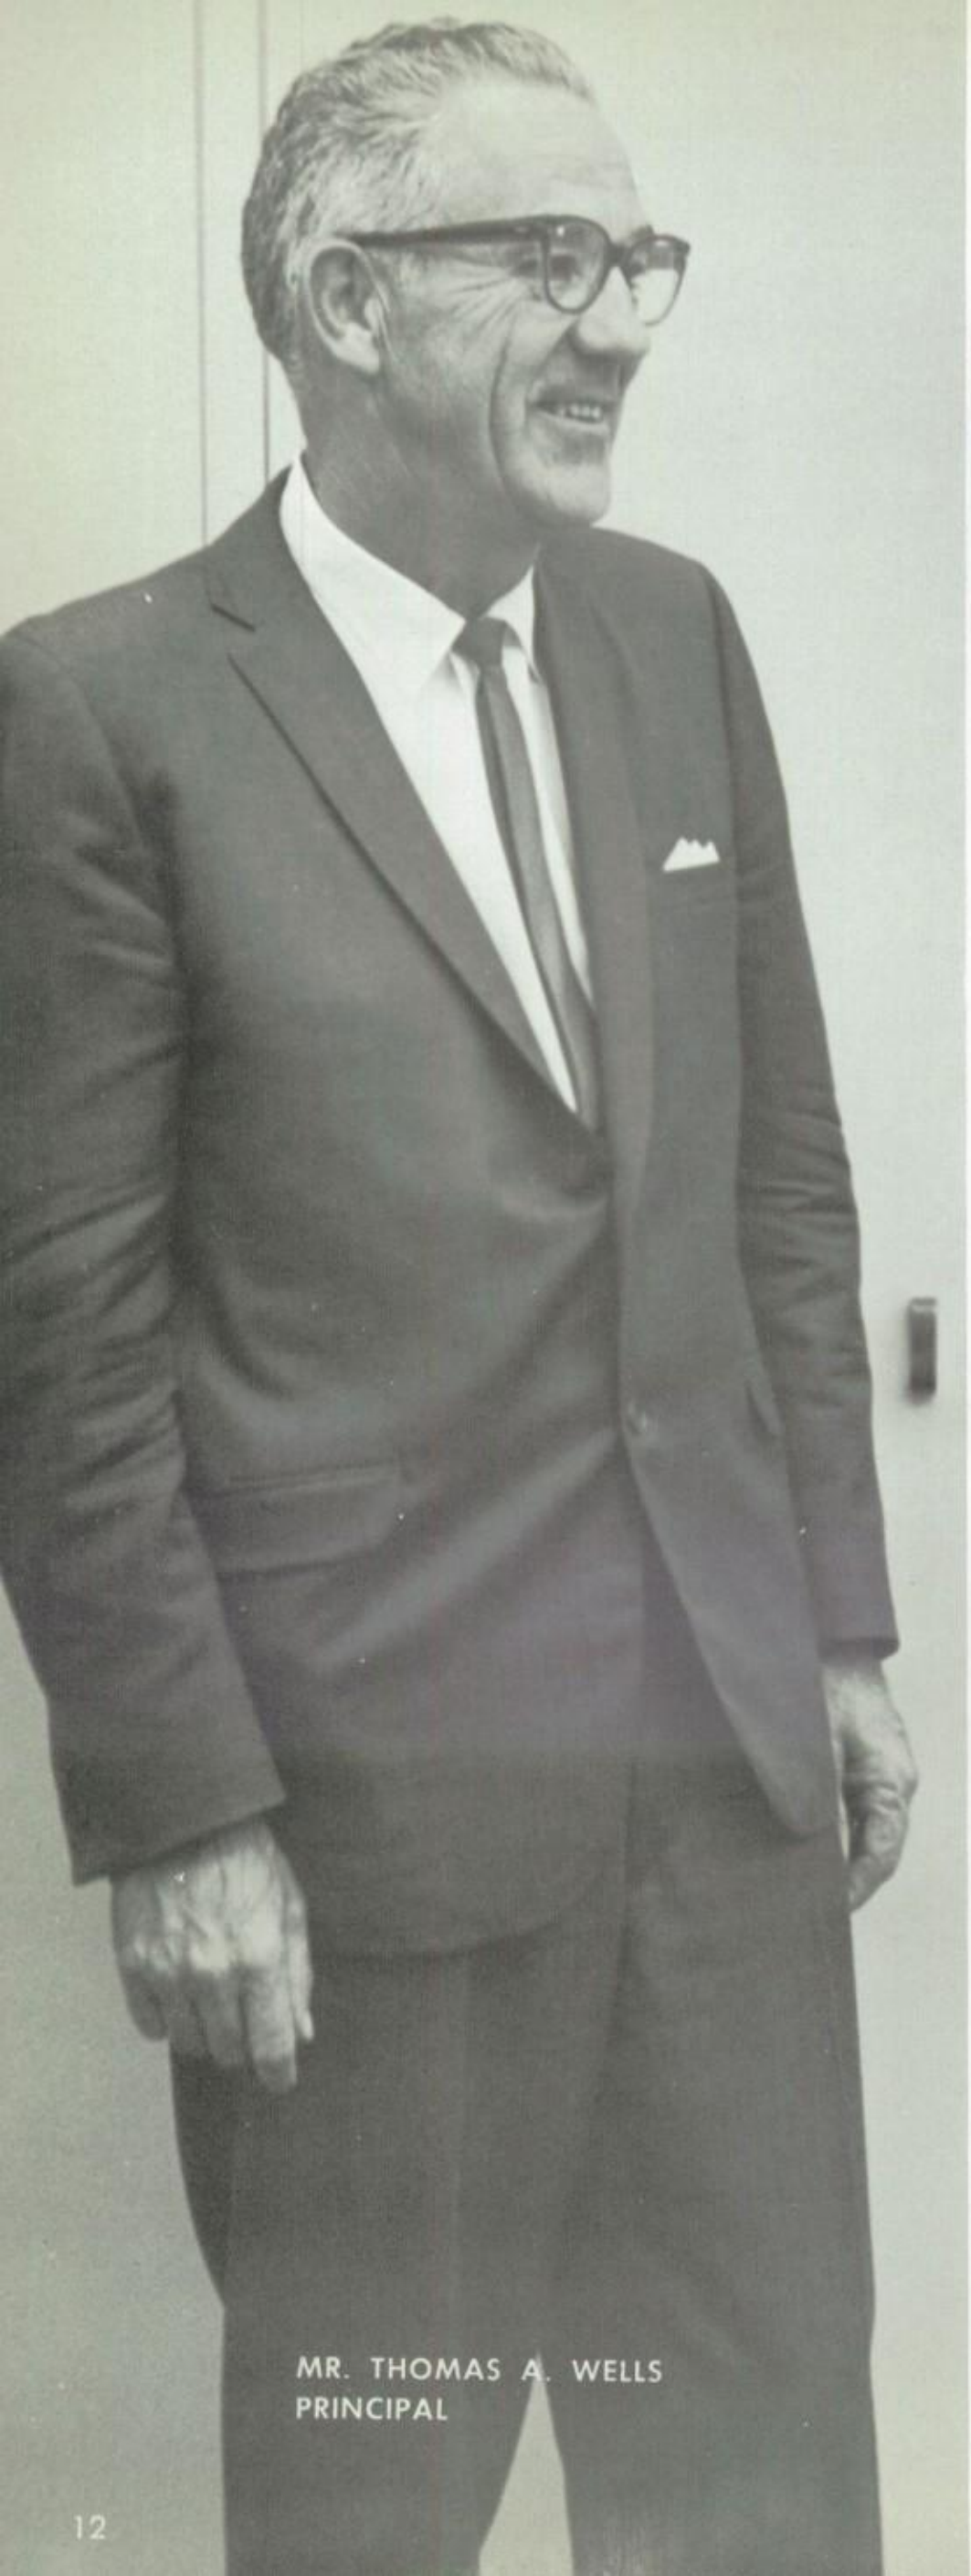
Mr. Charles Kendle
Assistant Superintendent, Special Services

Leadership and community spirit, welded by pride and teamwork, created and maintained Bellflower High School. In years Superintendent Dr. Norman Wampler, his administrative assistants, and a vitally interested board, aided by a dedicated Parent-Teacher Association Unit, have faced and met, with wisdom and courage, pressing problems involving finance, enrollment, expansion and personnel.

BOARD OF EDUCATION

Mr. Clyde A. Bower, Jr.
Board of Education President

Board members are, from left to right, Mr. Daniel J. Keulen, Dr. C. H. Ozanian, Mr. William E. Young, Mrs. Irene L. Brandt, Dr. W. Norman Wampler.



MR. THOMAS A. WELLS
PRINCIPAL

Mr. Gordon Thompson, Sub School C

LEADERS

Spare moments are few and far between for Principal Thomas A. Wells. If he is not busy conferring with a member of the School Board, there are always the teachers to help, the parents to explain to, and the supervision of the clerical staff. Included in his duties is the over-all supervision of guidance and counseling of students.

By combining forces with the Board of Education and the teaching staff of Bellflower High School, Principal Wells has once again brought a successful school year to Bellflower High School.

Graduating from two colleges, Oregon State College at Corvallis and Pacific University at Forest Grove, Oregon, Mr. Wells earned the Bachelor of Arts and Master of Art Degrees.

Former Superintendent and Principal of Astoria schools, he has a wealth of experience to his credit. Coming to the Bellflower Unified School District in 1958, he was Assistant Principal. In 1959, he moved to the position he now holds, Principal of Bellflower High School.

Mr. John Killeen, Sub School B

Aside from the problems arising within their own Sub School, the Assistant Principals have school-wide duties. These are truly industrious PEOPLE.

Dr. Gerene Torres, Assistant Principal of Sub School A, works with the California Scholarship Federation to aid and inform college-bound students of testing and available scholarships. The Girl's League is lucky to have the support of Dr. Torres.

Mr. John Killeen, Assistant Principal of Sub School B, has the awesome duty of coordinating all activities pertaining to athletic events. He is also responsible for the Behind-the-Wheel Driver Education program.

Mr. Gordon Thompson's delegated school-wide functions relate almost entirely to curriculum matters. The books you read, the films you see are selected under the supervision of Sub School C's Assistant Principal, Mr. Thompson.

Mr. Dwight McCracken has moved from teaching duties to become our Director of Activities. In doing so, he has acquired the duties of aiding and promoting student government, supervising and coordinating the publication of the 1966 Treasure Chest, and making sure we have a well planned year of activities.

Top to Bottom
Dr. Gerene Torres, Sub School A
Mr. Dwight McCracken, Director of Activities
Mr. Rodgers Lindley, Attendance Supervisor

Mr. Artist Edwards, Sub School A

A phrase the secretaries of the sub schools well know is "May I see my counselor?" The counselors are faced with many questions whose answers will affect the life of the students they counsel. Questions on how to transfer out of a class and how to apply for admission to a college are among the many asked and answered. The counselor must be an advisor, a friend, a buddy, sometimes a big brother. Truly these are helpful PEOPLE.

The secretaries, bookkeepers, and clerks are people the district and school needs to have a smooth running system.

Upon their shoulders falls the task of keeping record cards up-to-date, publishing daily bulletins, notices, answering students questions, greeting guests, answering the many phone calls and keeping everyone posted on the routine of the school. These are proficient and business-like PEOPLE.

SUB SCHOOL COUNSELORS

Mr. Brian Sienknecht, Sub School B

Mrs. Harriett Curtis, Sub School C

Right: Mrs. Lucille Goodlad

Mrs. Geraldine Hodge
Mrs. Mildred Greer
Mrs. Darleen Heit

L. to R.
Mrs. Mable Scrivner
Mrs. Linda Sanard
Mrs. Bettie Palmer
Mrs. Alice Shepard

NIGHT SCHOOL . . .

The whirring of sewing machines, the pounding of hammers, and the sounds of many foreign languages echo in the halls of B.H.S. week-nights from 7:00 to 10:00. These are the sounds of the busy people of night school.

The Bellflower High Night School was organized nine years ago by Mr. John Killeen. Since that time the number of people attending has quadrupled, and the number of classes has tripled to 70 from 23.

Night School people are young, many being teenagers who must work or have families to support. Many are older as well as retired, and seek to fill the void of leisure hours.

Eight out of ten are adults, and even though many are just realizing the need for a high school diploma, others are taking non-credit classes to learn vocational skills.

A variety of classes other than academic are offered. They include such interesting subjects as I.B.M. Data Processing, Seamanship and Navigation, and Aircraft Blueprint Reading, plus many more.

Mrs. Dorothy Nylen
Night School Secretary

Mr. Arthur Simpson
Evening High School Principal

Left to Right: Francis Peterson, Bernice Vander Wall, Minnie Palomline, Myrtle Shults, Edith Stierli, Anna Marie Brittain, Doris Shearer, Violet Riddle, Alice Tibbetts, Goldie Newman, Betty Bartels, Anna Johnson, Ida Den Ouden.

COOKS AND CUSTODIANS

Left to Right: Donald Kick, Andrew Calder, Arther Sensel, Dick Elgersma, Earl Bradt, Ronnie Engelhead, Raymond Van, Varnard Rogers, Malcom Freeman, Frank Smith, Leslie Dutcher, Robert Clark, Roy Moore, Lenard Kesten, William Brace, Mike Rubal.

Mr. Sterling Gottlieb
B.S., U.C.L.A. Department Head, Student Store

Mr. Don Evans
B.A., M.A., Long Beach State, U.C. Santa Barbara, Varsity Baseball

Practical experience in the business world is one of the basic goals of the Business Education Department at B.H.S. These courses are designed to help train those entering the business world after graduation.

For the beginning student, Typing I and Basic Business are offered. For the more advanced student, Typing II, Shorthand I and II, Bookkeeping I and II, Applied Bookkeeping, Salesmanship, Business Law, and Business English are offered. For those wishing to take courses using actual experience there are also classes offered. They are Clerical Practice, Office Machines, Secretarial Practice, Advanced Secretarial Studies, Distributive Education, and Distributive Education Experience.

Headed by Mr. Sterling Gottlieb, this department can boast modern equipment and business machines. Students become acquainted with many of the necessary skills he must know when he enters the business world of today, such as window decoration, how to operate rotary calculator and bookkeeping-posting machines, and retailing, promotion, and customer service. Many of these students participated in the Youth Corps Job Training Program, or held jobs while in Distributive Education.

BUSINESS EDUCATION

Mr. Philip DeMarco
B.A., Colorado University. Distributive Education

Mrs. Kay Wasmuth
B.A., Colorado State College

Annette Galvan, checking her notes, gets practical experience in her Business Education Class.

Mr. Lawrence Hartman
B.A., B.S., Jackson College, Chapman College. Assembly Committee

Mrs. Peggy Kerns
B.A., Fresno State College. Drill Team, Pep Squad

Mrs. Ethel Teach
M.S., Drake University

Mrs. Juanita Harper
A.B., Los Angeles State

BUILDS A BETTER TOMORROW

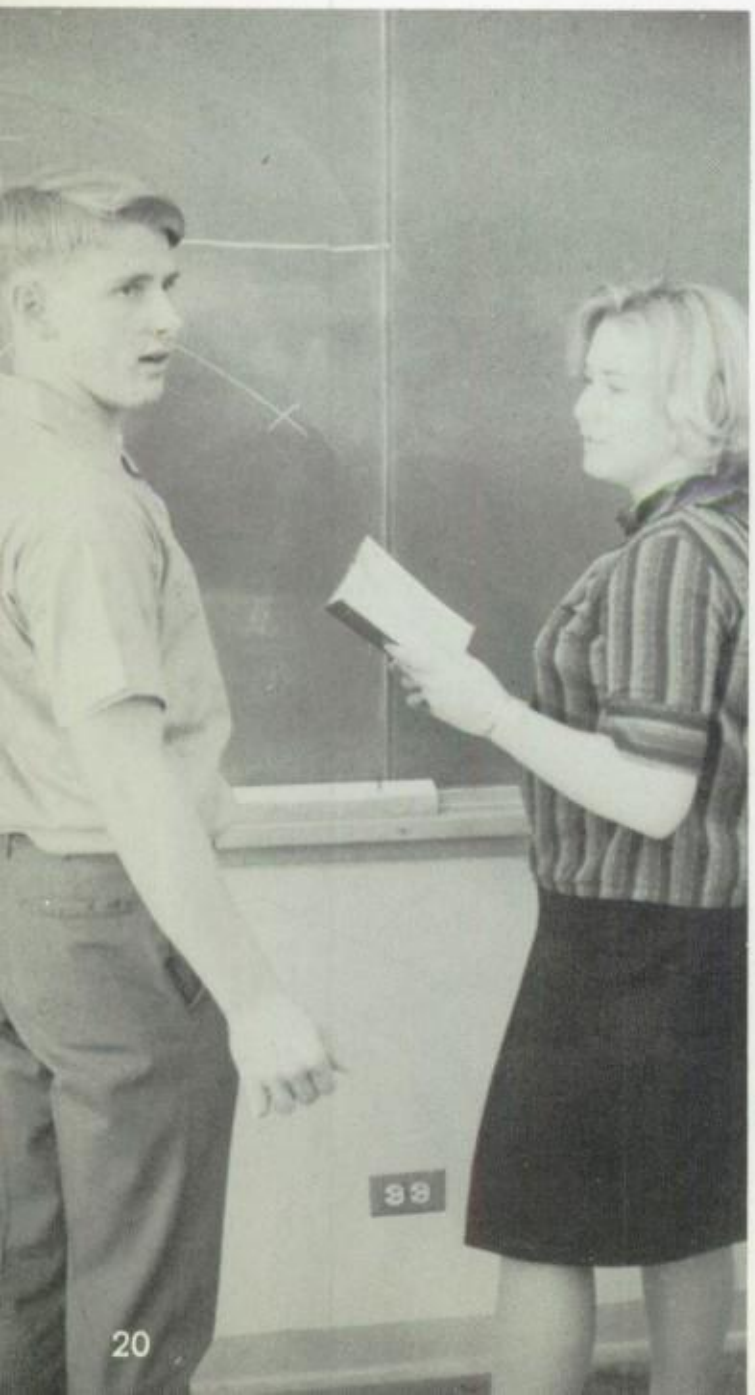
Mr. Richard Laney
B.S. and M.S., Utah State, Essay Contests.

Mr. Ronald Albertsen
M.A.—Education, M.A.—Speech, L.B.S.C., Redlands. NFL—Speech Team, Debate Squad — Rock Climbing Club.

Mr. William Carnahan
A.B., Los Angeles State College: Assistant — School Drama Productions.

Mr. Ellis Boden
B.A. and M.S., Southern Idaho College of Education.

ENGLISH IS NECESSARY FOR



Freshmen Les Iverson and Glory Vernon work at the chalkboard in their fifth period English class.

Mrs. Madelyn Davidson
B.A. and M.A., Long Beach State.

Mrs. Marilyn DeWitt
B.A. and M.A., State University of Iowa, U.C.L.A.

Mrs. Helen Isaac
A.B., Muskingum College: Future Teachers of America.

Mr. Robert French
A.B., University of Southern California: Junior Class Sponsor.

Development of skills in our English Language is the main purpose of the English Course at Bellflower High. It must be taken all four years of High School in order for a student to graduate. English is taught at BHS by the semester. One semester of grammar is taught, and the second semester literature is taught. English I deals mainly with the basic study of grammar and spelling, and broadens the students' acquaintance with good literature and its authors, while English II continues these studies in a more advanced level. English II is designed for student attainment in advanced aspects of high school grammar, and emphasis is placed in six major areas; study skills, syntax, vocabulary, composition, oral communication, and punctuation and capitalization, with study of the national and regional literature of America with an object of understanding and appreciation. English IV is a course integrating the study and review of the principles of these principles to written and oral expression, and to encourage and develop greater understanding and appreciation of the basic types of modern literature: short story, biography, essay and drama.

Some courses that can be taken in place of English IV are Library Science, English Literature, Advanced Composition, Journalism and Drama.

Mr. Fred Kelm
A.B., Los Angeles State. The Blade, Advisor

Mr. Bob Somerindyke
B.A., U.C.L.A. Activities Chaperone

Mr. Richard Lane
B.A., Los Angeles State

Mrs. Helen Meyer
A.B., U.C. Berkeley

EFFECTIVE COMMUNICATION

Mrs. Glenda Watson
B.S., Texas Western College

Mrs. Isaac lectures to her fifth period Freshman English class on the finer points of the language.

Jr. Dennis Graham and Sr. John Bolm listen to Mrs. Wittich, as they discuss sketches for the Christmas Dance Decorations.

STUDY OF THE FINE ARTS AWAKENS

Mr. Robert Newman
B.A., Univ. of Southern California. National Thespian Society, School Plays.

Mr. Larry Lowder
B.S., Univ. of Utah. Dance Band

"Perhaps that which differentiates man from other animals is the creation of fine arts," stated Mr. Newman, the head of the Fine Arts Department. The Fine Arts program is planned to include the various areas of the Fine Arts.

The Drama Department presented again for the students of BHS two three act plays. At Christmas time, the Drama Department presented the plays "The Littlest Angel" and "The Grinch". The students were admitted for a can of food or $.25 which went to needy families.

Mrs. Wittich and Mr. Moore worked to teach the basic fundamentals of Crafts and Drawing. Closely associated with this department is the Art Club. At the end of the year, the Art Club and the Drama Department combine forces to present a fine arts festival, Dramarama.

Truly the Music Department was colorful this year. High stepping, proudly decked in new uniforms was the BHS Band. It added extra life to the home football games with its well executed halftime shows. Later the BHS Band moved indoors to prepare for the concerts it gave. Lovely ladies in formal length gold gowns and gentlemen in red dress jackets combined to form the BHS Orchestra. They combined their skills with those of the Choir to present to the BHS Student Body many outstanding and "musical" shows.

Mr. Don Moore
B.A. and M.A., Arizona State University. Pep Club, Faculty Club Pres., Annual Advisor.

Mr. John Prince
B.M., Univ. of Redlands. Ensemble.

FINE ARTS

MAN TO HIS WORLD

Mr. Robert Routh
A.B., Whittier. Photography.

Mrs. Carol Wittich
B.A., California State — Los Angeles. Art Club.

Mr. Lowder, popular music teacher leads orchestra in practice.

Mr. James Glass
B.A., Whittier College: House of Representatives.

Mrs. Margaret Grady
B.S. and M.A., St. Joseph's, Loyola Univ. of L.A.

Miss Louise Neary
B.Mus., Immaculate Heart College: Help with Music.

Mr. Clifton Shyrock
A.B., L.B.S.C.

SPECIAL EDUCATION

The Special Education program is aimed at individualized instruction and providing appropriate limits for each student. The teachers may move slowly within a more relaxed relationship with the students.

The curriculum of Special Education is that of a basic educational program appropriate to the ability level of the student.

The Special Education program has been at BHS for ten years. The program is vocationally oriented and through work experience many of the students are employed in jobs both on and off campus. This work experience offers the Special Education Student a great opportunity to gain valuable skills and knowledge before graduation and entering the adult community.

Mrs. Alpha Day
B.A., Oklahoma State

Mrs. Bonnie Bringle
B.S., Cal Poly: Home Economics Club.

Mrs. Jane Martin
B.S., Florida Southern College: Home Economics Club.

HOME EC PREPARES BETTER HOMEMAKERS

What of the homemakers of tomorrow? Who will have an acquired knowledge of home and child care, the proper selection and care of clothing, the planning and preparing of nutritional well-balanced meals.

The courses of Home Economics at Bellflower High School offered the opportunity to learn the basic fundamentals for future living.

The smell of cookies through the 600 wing testified to the fact that the cooking class was hard at work preparing for the hard task of preparing meals.

Taking sewing proved to be satisfying and rewarding. In learning to sew, one not only added to their experiences but to their wardrobe. Throughout the year they have shown their handiwork in the display case in the 600 wing.

A more advanced study into clothing is costume design. In this course they inquired into the history and the future of clothes.

Senior Stan Burwell acquires valuable Industrial skills by working on a metal lathe.

SKILLS AND SAFETY ARE TAUGHT IN INDUSTRIAL

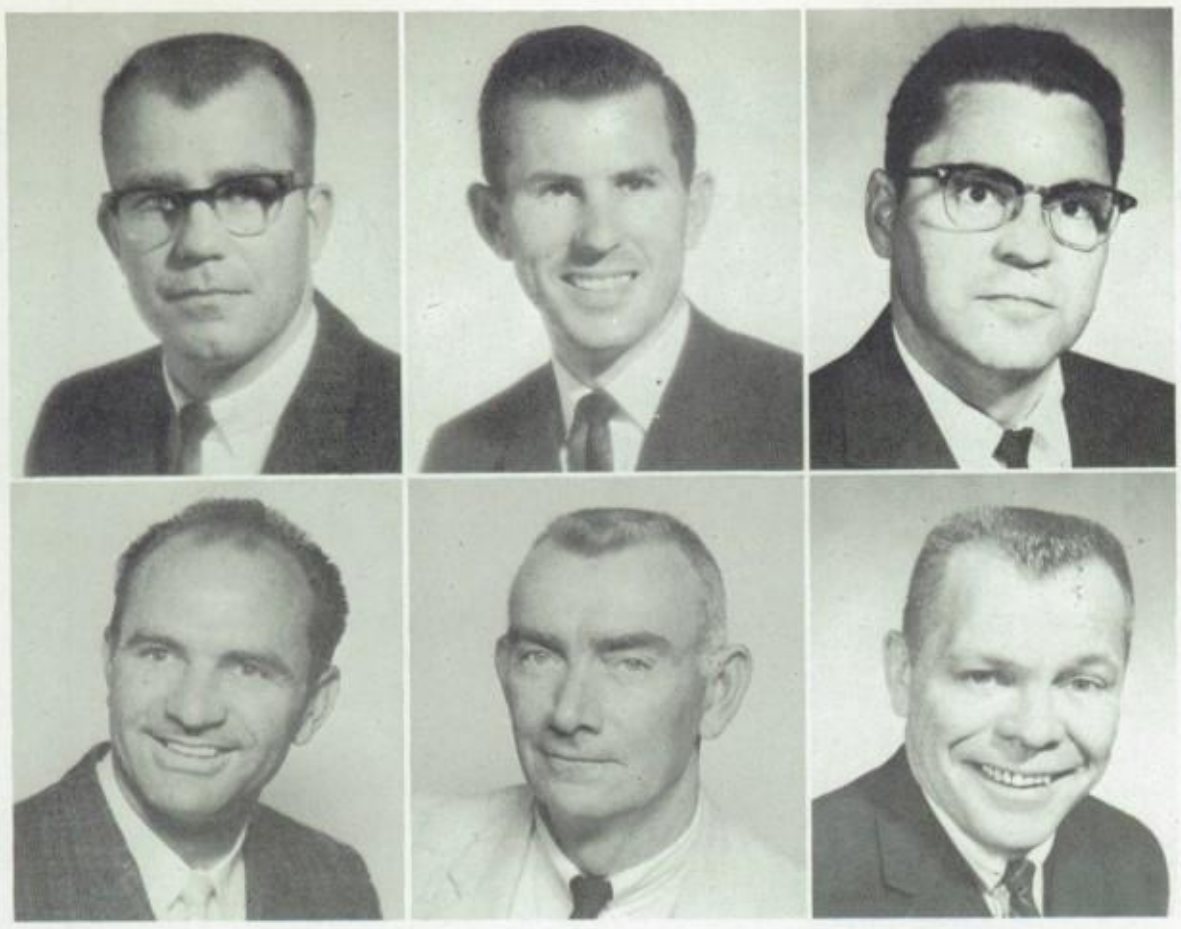
Mr. Warren Ward
B.A. and M.A., Arizona State and Long Beach State: Auto Club.

Mr. Alvin Stout
B.A., Washington State.

Students who took the classes offered in Industrial Arts were taught skills in working with metals, wood, electricity, mechanical drawing, electronics, engineering, architecture, automobiles, the graphic arts, and machines.

All of these were taught from the very basic skills to the very advanced.

Making rocking horses for hospitals, churches, and needy children for Christmas time, was one of the commendable functions of this department. Many children were made happy because of a few hunks of wood, a handful of nails, a bucket of paint and hours of time which were transformed into cute rocking horses through the craftsmanship of the students.



Mr. Terry Gibson
B.A., Long Beach State: Electronics Experimenters.

Mr. Raymond King
B.A. and M.A., Univ. of California and Long Beach State.

Mr. Melvin Riggins
B.A. and M.A., Chico State and Long Beach State.

Mr. Floyd Link
Teaching Credential, U.C.L.A. and Long Beach State: Auto Club.

Mr. Dwight McCracken
A.B., Univ. of Redlands: Director of Activities.

Mr. Arthur Brevick
B.A. and M.A., Iowa State College and DePaul University.

ARTS

Mr. McCracken shows Freshman woodworking student the proper method for using the joiner. Safety first is the rule in the shops where a serious accident has not happened in years.

PEOPLE ARE PEOPLE IN

Mrs. Kathleen McKinney
A.B., San Diego State: Latin Club

Developing the habits and skills necessary for using a foreign language as a means of communication was the goal of the Foreign Language Department. The Foreign Language Department has continued to expand in the course offered. At the present time five foreign languages are offered at BHS. Another important feature of the Foreign Language Department was the newly constructed Foreign Language Lab. It offered an opportunity to the students to listen to native speakers and to speak by automatic responses in a manner acceptable to a native speaker.

"Les eleves de francais" welcomed back Miss Sandra Brown from her year of study in Paris. She returned to teach French I, II, III, and IV. For those whose eyes looks towards Mexico, Spanish I, II, III, and IV were offered. Latin is not dead at BHS. Courses are offered for all four years of high school. This course has aided Latin students in the comprehension of the English language. Newly offered courses of German and Chinese attracted students who wished to increase the range of their language studies.

ANY LANGUAGE

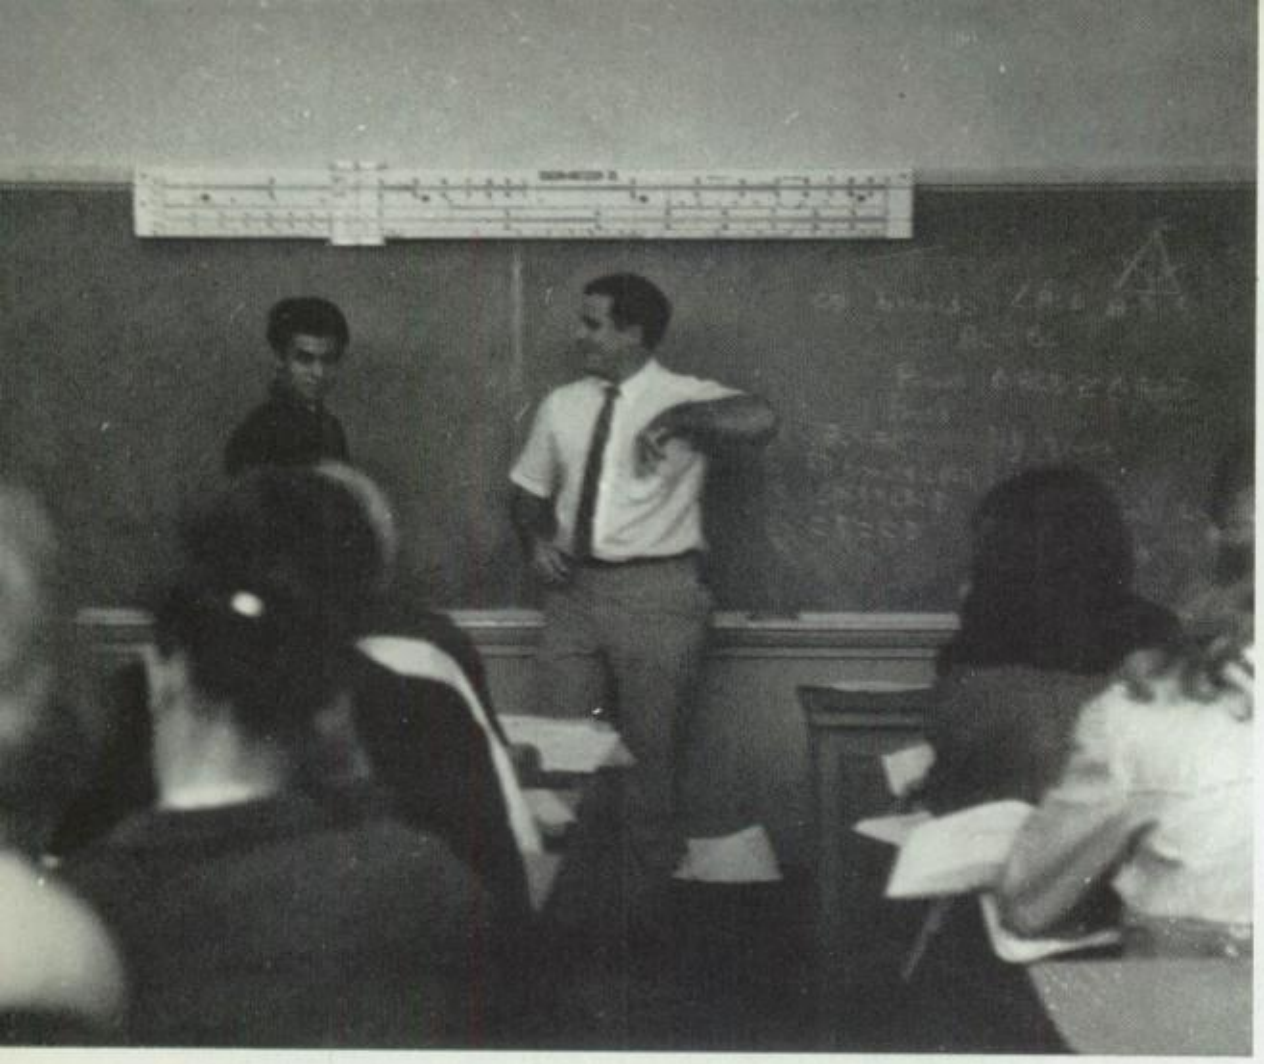
Miss Sandra Brown
B.A., Univ. of Pittsburgh: French Club, Girls League Cabinet.

Mr. Henry Li
B.A. and L.T.S.C., Fukien Univ. and Curwen Memorial College of Music: Chinese Mandarin Society

Mrs. Candelaria Sanchez
B.A., Arizona State Univ.: Spanish Honor Society and Spanish Club.

Mrs. Margaret Stegemeier
B.A. and M.A., Stanford Univ. and Columbia Univ.: German Club.

The Language Lab provides the students with an opportunity to actually listen to the language that they are studying as demonstrated by Miss Brown's class.



Mr. James Modlin
B.S. and M.S., Kansas State:
Math Club.

In the world today and the future age, the importance of math is ever increasing. Math has become as essential as English in communicating in the present day.

Improving the understanding of the many complex branches of mathematics and to help the students realize the potential opportunities available in this area, is the basic function of the Math Department at Bellflower High School.

Students who do not plan to attend college may fulfill the one-year-of-mathematics requirement by taking Consumers Math. This course deals with everyday mathematics.

For those students who are planning for college Algebra I, Geometry, and Algebra II are required by most of the accredited colleges. Advanced courses in the field of Mathematics offered at Bellflower High School include Trigonometry, College Math, and Calculus.

In recent years the students have been fulfilling their required math courses by going to summer school.

The algebraic expression for a good grade in math, $hw^{10}+cw-mu$, which stands for lots of homework plus classwork equals mathematical understanding, is multiplied by 5 during the summer courses. You spend four hours a day covering material usually presented in a week. The old tale, summer school in the morning then to the beaches in the afternoon doesn't hold for these classes. The afternoons are spent studying.

Mr. Joseph Bott
B.S. and M.S., Utah State and Univ. of Utah: Bee Football and Basketball Coach.

Mr. Larry Brick
A.B., Whittier College: Paramedical.

MATH IS THE SPACE AGE LANGUAGE

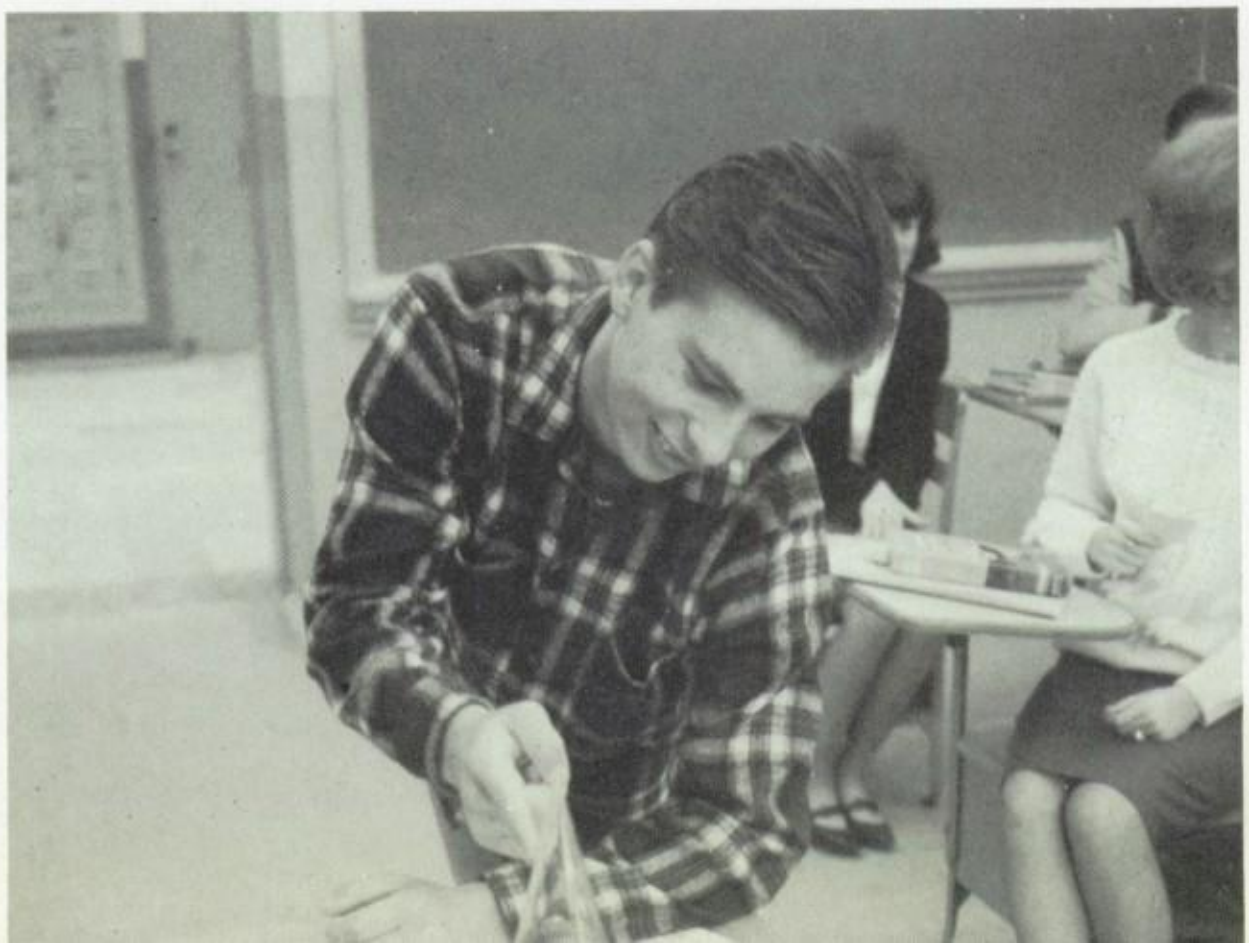
Mrs. Sheila Brotherton
B.A., Hastings College: Math Club.

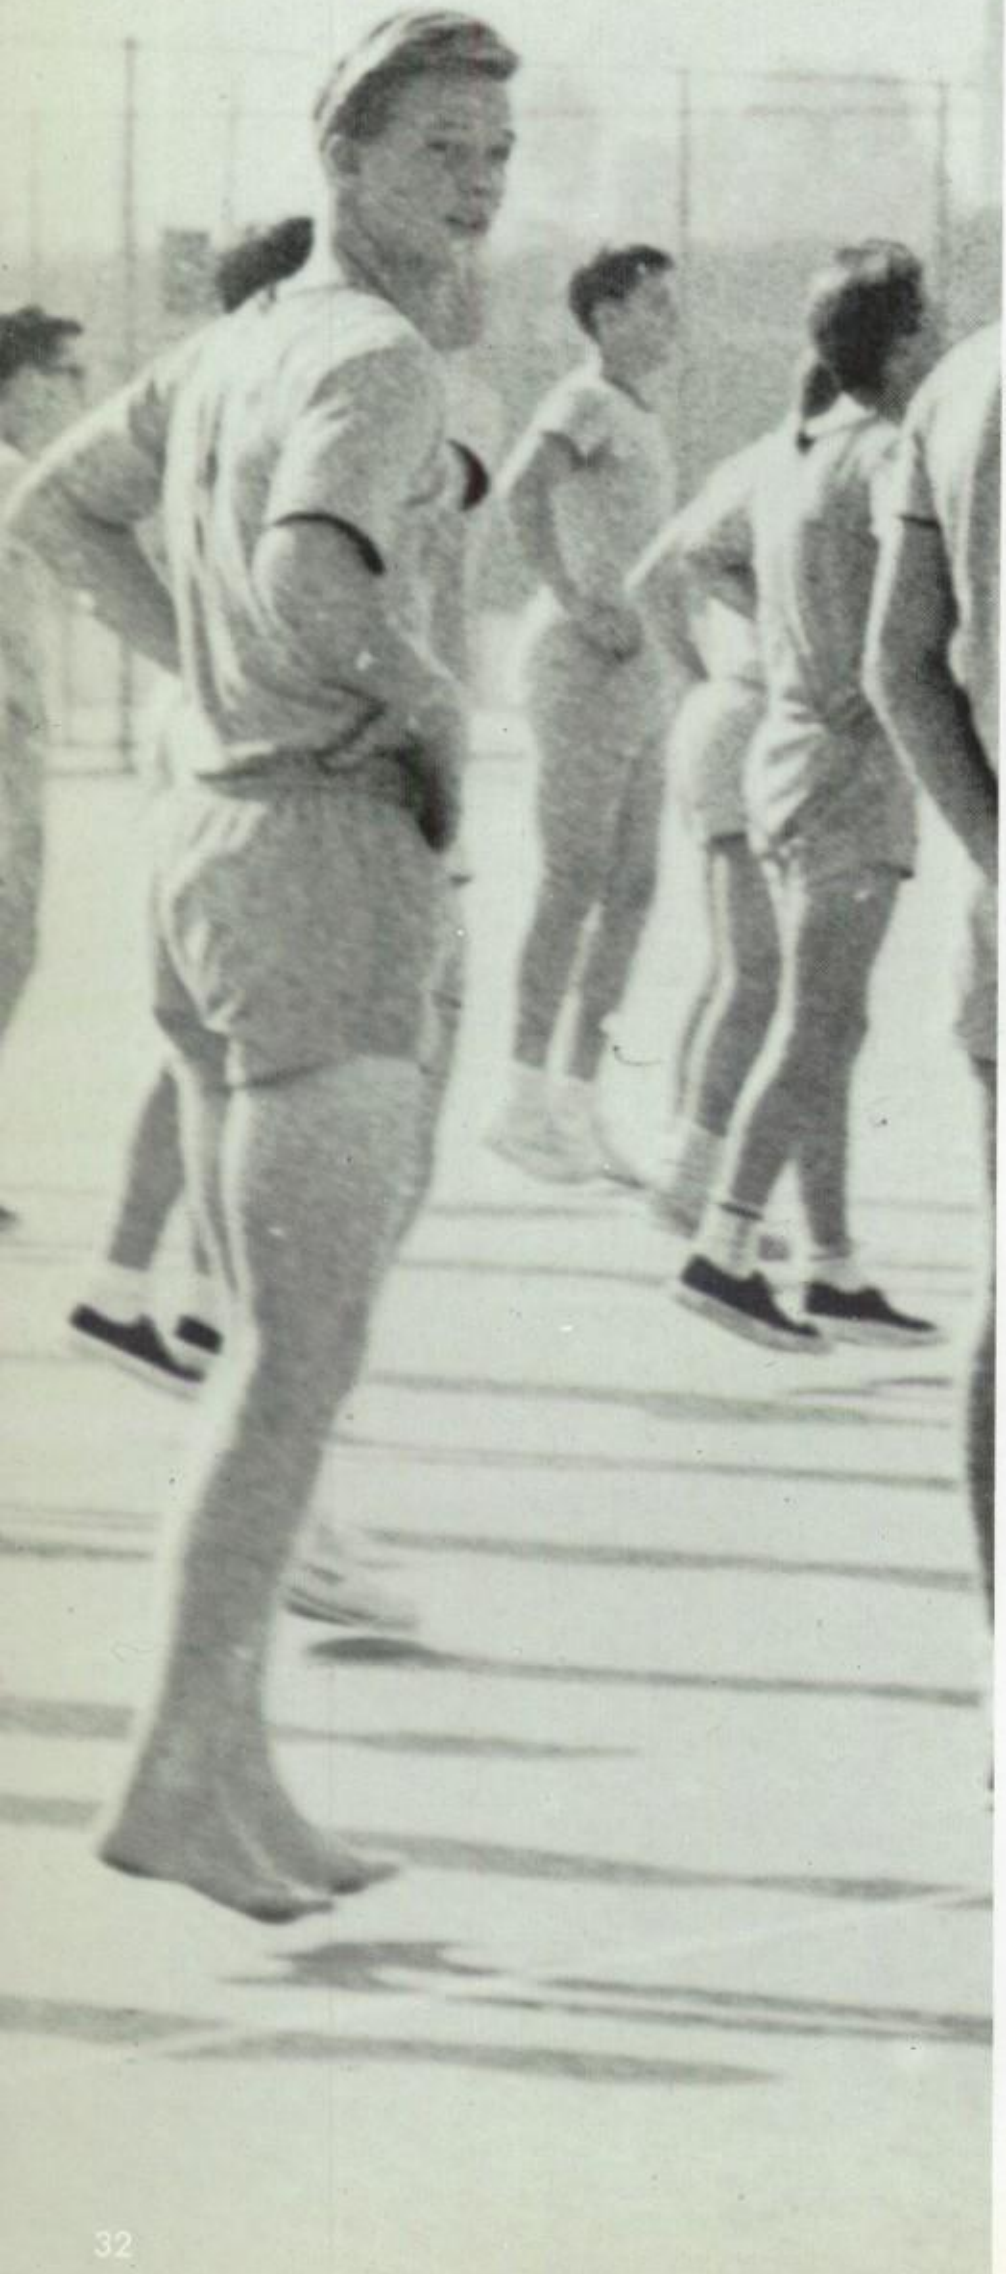
Mr. James Fouquette
B.S., St. Cloud State College: Class of '66.

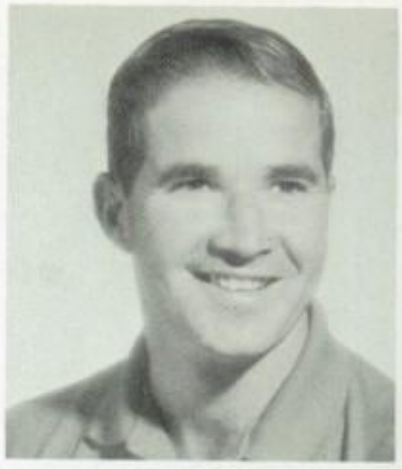
Mrs. Edith Hartnell
B.A. and M.A., Long Beach State and Univ. of Hawaii: Friendship Club and Girls League.

Mr. James Wolfsberger
B.A., Fresno State College: B.A.A.

Geometry offers the magic of shapes and numbers. This abstract world is investigated by Junior Jackie Brand.







Mr. Robert Forester
B.A. and M.A., Long Beach State: Varsity Basketball and Varsity Tennis.

Mr. Clayton Odell
B.A., Long Beach State: Varsity Football Coach and Asst. Track Coach.

STRENGTH, STAMINA AND

The boys at Bellflower High School took part in a well-rounded program under the direction of Ray Dodge, department head, and his competent staff. It developed the boys, under this program, mentally and socially as well as physically. Emphasis was placed on the acquiring of the basic skills of a variety of sports such as tennis, softball, football, volleyball, and speedball.

To help the boys better understand the concepts of the games, copies of rules are distributed to them.

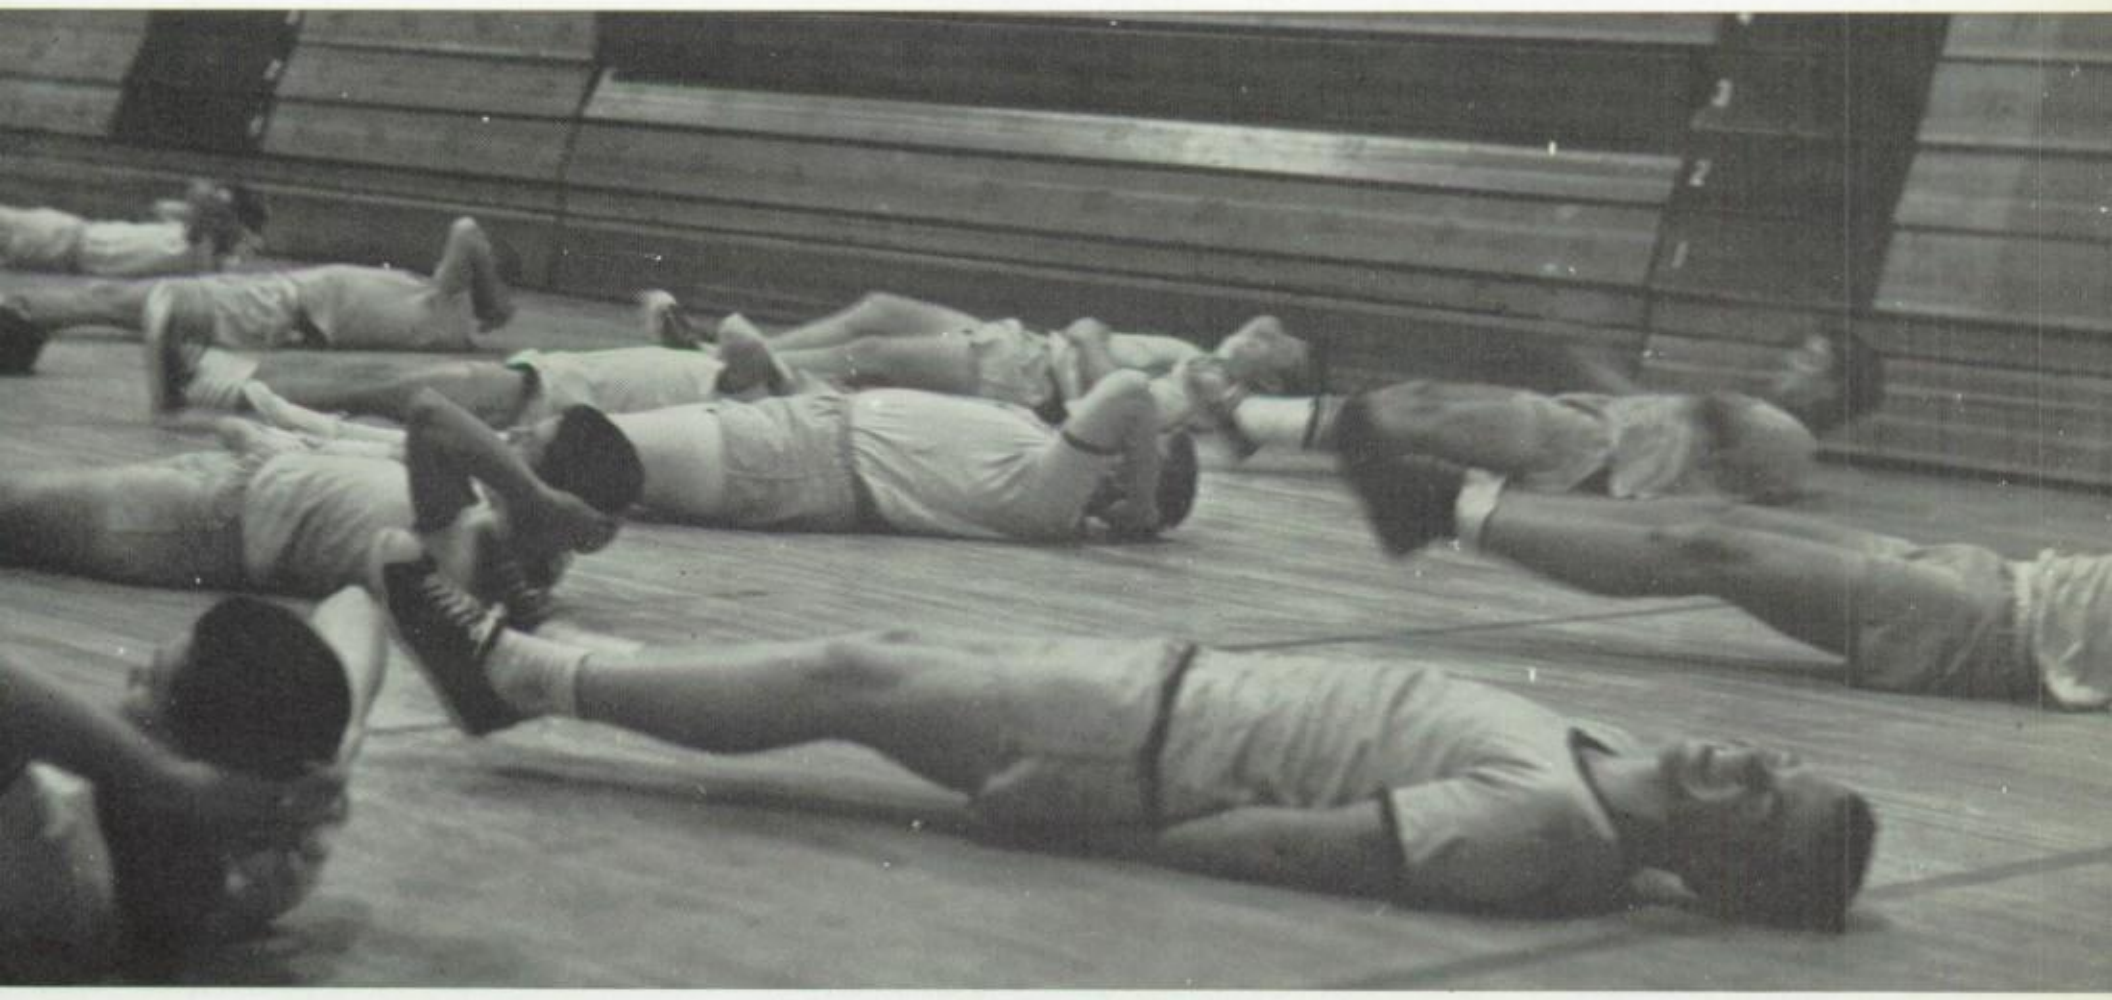
Strained muscles, aching backs, and just plain tiredness were the results of "physical education week", which took place at the end of the 1st quarter. This program is used as a "yardstick" for the Physical Education Program.

During 6th period the boys out for team sports practice under the supervision of the coaches. If you had ventured out onto the football field you would have seen the team work hard—learning proper tackling, passing and blocking techniques necessary for a well balanced team, both offensive and defensive.

Basketball, under the supervision of Coach Robert Forester, at the same time stressed teamwork. Dribbling, guarding, passing, and shooting exercises all helped the individual develop sound ball control necessary for a successful basketball player.

Unlike many of the sports, individual effort is stressed in track. A fast pace is set for the members of the track team. Jumping, running, and throwing are actions that take place during track season.

COORDINATION ARE DEVELOPED IN BOYS P. E.



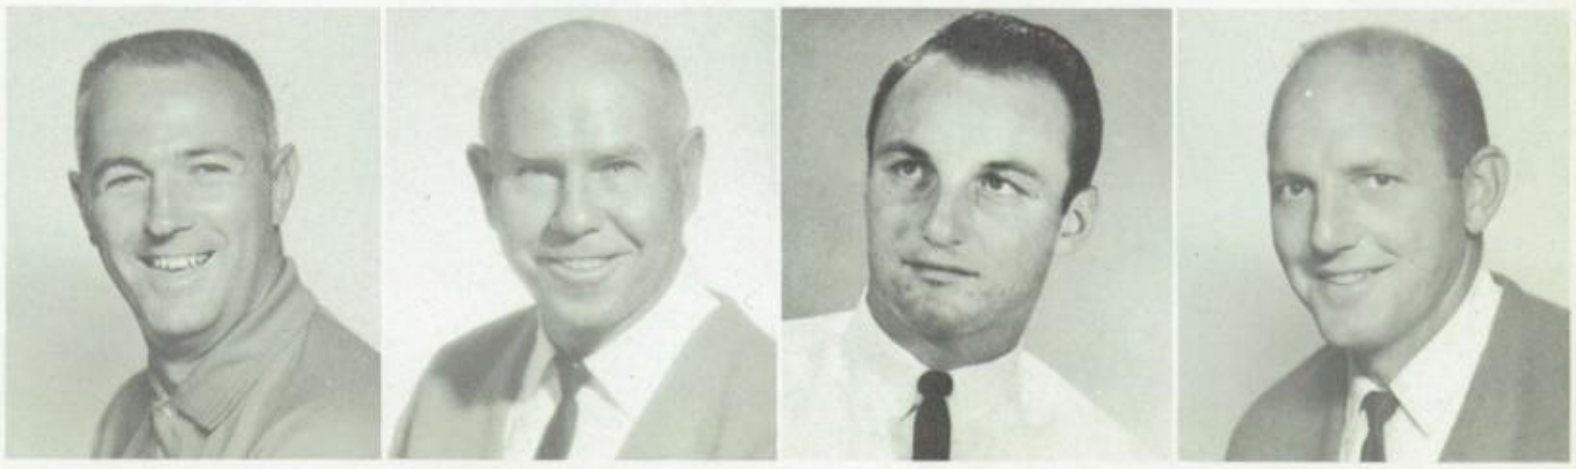
Early in December, heavy rains caused a power failure in the gym. Pictured above is Junior Lee Von Biela breaking up over having to do calisthenics in the darkened gym.

Mr. Ray Dodge
B.S. and M.E., Univ. of Arron and Kent State Univ.: Asst. Football Coach and Asst. track coach.

Mr. Ernie Jensen
A.B., Occidental College: Cross Country.

Mr. Jack Bogdanovich
B.A. and M.A., Long Beach State: Booster Club, Coach for Bee Football and J.V. Basketball.

Mr. Mike Kekich
B.A., Univ. of Montana: Varsity Football Line Coach and J.V. Baseball Coach.



Miss Barbara E. Douglass
B.S. and M.A., U.C.L.A. and Long Beach State: G.A.A.

Miss Jo Ann Hays
Whittier College: Asst. for G.A.A. and G.A.O.

CORRECT EXERCISE FOR HEALTH IS

Sophomores seem to enjoy doing laps down the back fence. Carol Kempema acts as if running such a distance is the funniest thing to happen yet this week.

Under the supervision of Miss Barbara Douglas, the department head of the girls Physical Education Program, the department stresses posture training and body mechanics, as well as physical fitness, and the acquiring of skills in many different sports.

Pulled muscles, bruised legs, and bandaged toes are possessions of the graceful and hard working Modern Dancers. Mrs. Lucille Zable, the Modern Dance Instructor, encourages the students to prepare even better dances than the years before in the annual Modern Dance Show.

Team work is necessary to win in such sports as volleyball, baseball, speed-a-way, and hockey. Individual ability is demanded for those who go out for archery, golf, and tennis.

Physical Fitness week came at the end of the year for the Girls Physical Education, and as usual it came too early even then. To maintain an "A" in Girls Physical Education, one must have an average of "excellent" on the seven "torture tests" which are the Physical Fitness Test. The senior girls, who no longer must look forward to this week, wish all the undergraduate girls the best of luck next year—you'll need it!

PRESCRIBED TO GIRLS PHYSICAL ED.

Miss Sally Parker
B.E. and M.S., U.C.L.A.: G.A.A. and G.A.O.

Miss Lynette Waltner
M.Ed. and B.F.A., South Dakota State: G.A.A.

Mrs. Betty Young
B.A., Queens' Univ.: G.A.A.

Mrs. Lucille Zabel
B.A., Los Angeles State: Modern Dance, G.A.A. and Buqueros.

Mr. Marcus Morgan
A.B. and M.A., U.C.L.A.:
F.P.L.A.

Mr. Fiebing helps a student in his Social Studies class.

SOCIAL STUDIES DEVELOPES WORLD UNDERSTANDING

Social Studies presents many thought provoking world problems to students such as Nick Prother, pictured below, deep in thought over a discussion of the formation of political parties after the Civil War.

Mr. Don Fiebing
B.A. and M.S., Colorado College and Univ. of Wisconsin: Folk Singers Anonymous.

Mr. Larry Hartman
B.A. and B.S., Jackson College and Chapman College: Assembly Committee.

Mr. Richard Hester
B.A., San Jose State: C.S.F.

Mr. Howard Kellogg
B.A., Michigan State: Freshman Class.

Mr. Jan Laughlin
B.S., U.S.C.: Pep Club.

Mr. John Marchak
M.A., San Francisco State: Student Court.

J. D. Laughlin

Encouraging students to obtain a better understanding of the world, the United States, and the ways of people throughout the world, is the responsibility of the Social Studies Department at BHS.

Under the direction of Mr. Marcus Morgan, the department works toward this goal by way of a unified agenda. This program begins with Freshman Western Civilization. Modern World for Sophomores was interestingly presented by Mr. John Marchak.

The required course of American History for Juniors, continued to follow the carefully planned program. For the Seniors, United States Government fulfilled their requirements in the Social Science Department.

If students desire additional studies in Social Sciences, the courses of psychology, economics and sociology are offered. Projects are required to stimulate the students' interest in many different aspects of the social sciences.

Mrs. Virgilia Canova
B.A., U.C.L.A.: Girls League and Ways and Means.

Mrs. Jean Peterson
A.B. and M.A., Univ. of Kansas and Long Beach State.

Mr. David Smith
B.A., Univ. of Michigan: Sophomore Class.

Mr. Joseph Stits
B.A., Long Beach State: C.S.F.

Mr. Robert Thompson
B.A. and M.A., Long Beach State: Stamp and Coin Club.

Mr. Mike Conrad
B.S., Brigham Young Univ.: Cee Football and Varsity Wrestling Coach.

Chemistry offers an understanding of the many wonders of the physical world. Sophomore Chem students Bob Kiyomura and Mickey Allen are aghast at the results of an experiment while Pam Pardee is more interested in the photographer.

SCIENCE, THE THRESHOLD TO TOMORROW

To enrich the students' lives in scientific knowledge and understanding in order that they might be able to open the door to tomorrow is the goal of the Science Department at BHS.

Included in the Science Department at BHS are the classes General Science, Advanced General Science, Life Science, Biology, Chemistry, Physiology, and Physics.

The aims of the course in biology are to develop a scientific attitude in the student and to satisfy natural curiosities concerning life and living things.

Physics is a basic science devoted to the study of matter and energy, and through chemistry the student obtains an understanding of the composition of substances.

Life Science has been designed to provide the student with a general survey in the various fields of biology. Considerable emphasis is placed upon the application of biological knowledge to the control of man's environment.

The students in the Physiology classes study the relationships of organisms, their reproductive mechanisms, heredity and genetics. Considerable emphasis is placed on physiology and the biological nature of man, and the students in Physics study the basic principles of physics and the application of mathematics on the solution of problems in this area. They study the mass energy relationships, the structure of matter, sound, light and electrical energy.

The people taking these courses are searching for the key to open the door of tomorrow.

Mr. Endsley shows students in General Science one of the humorous aspects of the living world.

Mr. Tom Mitchell
B.A., Colorado State.

Mr. Larry Boyle
B.A., Whittier College: Chemistry Club.

Mr. Bill Endsley
B.S., Univ. of Utah: Folk Singers Anonymous.

Mrs. Theresa M. Hersek
B.S., Ohio State: Biology Club

Mr. Merwyn Smith
B.A. and M.A., Univ. of Colorado: Biology Club.

Mr. John Tansley
B.A., Long Beach State: Cee Football and Varsity Track Coach.

Mrs. Phyllis Turner

Mrs. Jean Alexander

Mrs. Lin Sanard

LIBRARY SCIENCE

Senior Linda Hicks aids Library staff in checking out books to unidentified student.

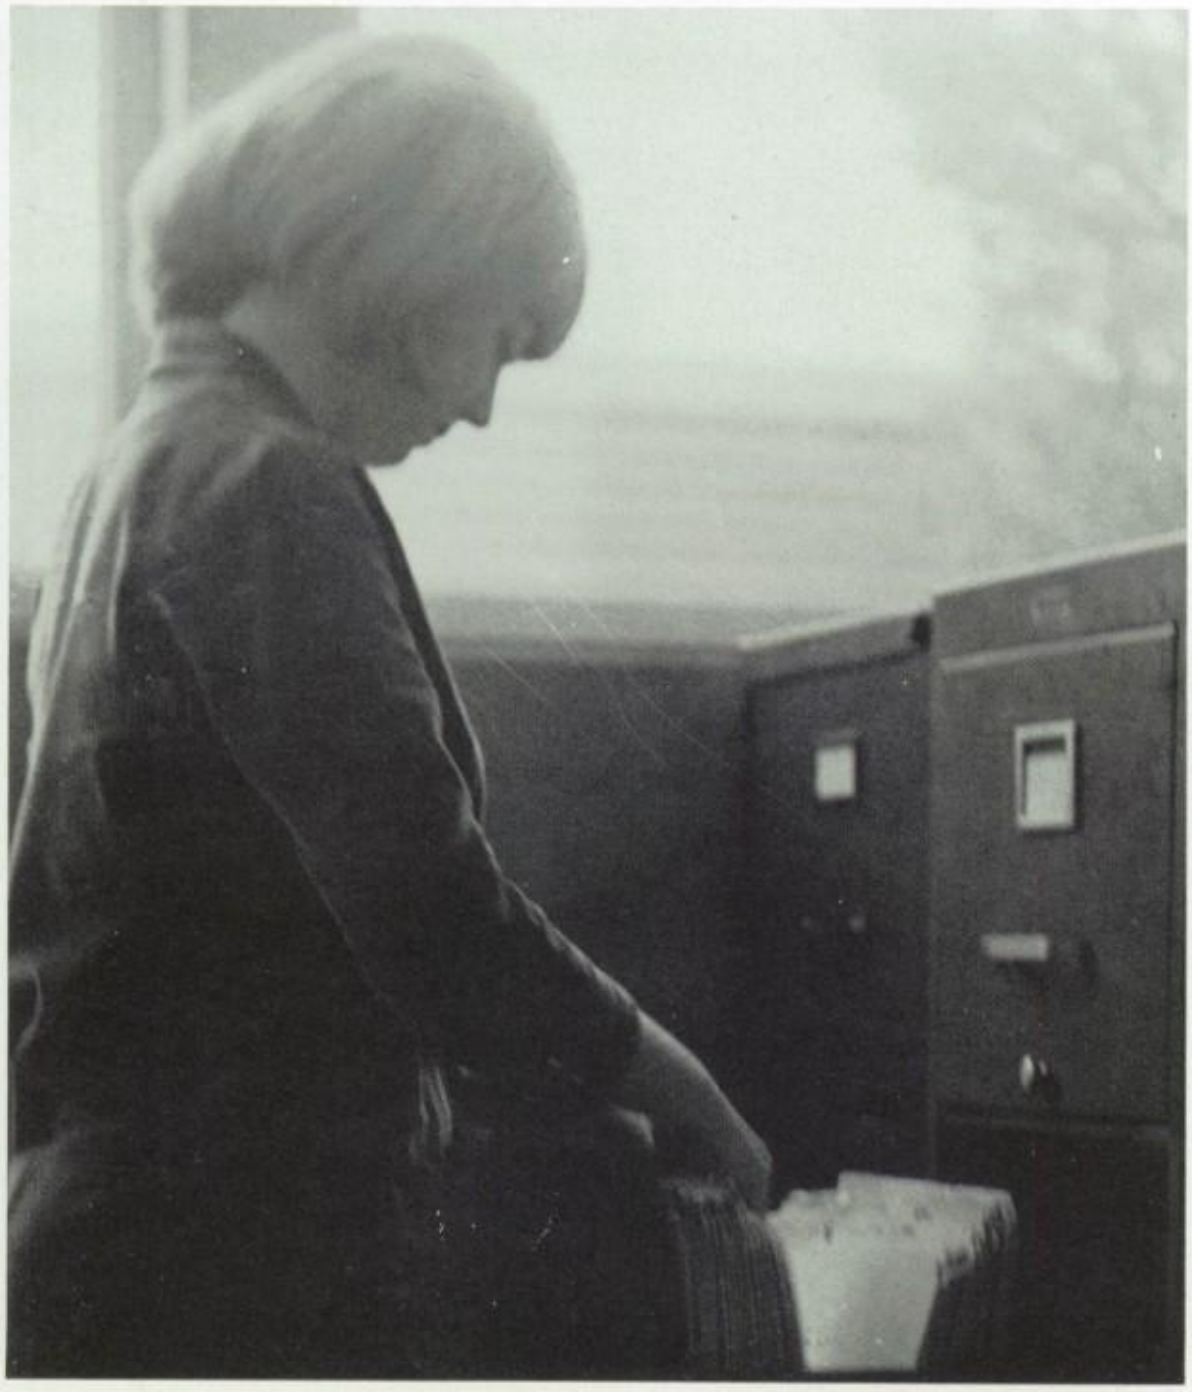
Library Science was offered to Seniors who wished to take it in place of Senior English. It was required that they have a "B", grade average. In this course they learned to use the many different types of references and books in the library, and how a Library is run. The students of Library Science helped the poor souls who got lost in the stacks and stacks of books this year.

Linda Hicks performs one of the many duties of the Library Science Students, checking out books.

OFFICE EXPERIENCE

An opportunity to know and understand the inner workings of BHS is what the Office Experience Program offers. Under this program, students received credit for one semester only. The Administration made use of this program by selecting the top students available. The students are used in the Sub Schools and Attendance Office to help complete the many chores that there are to do. Students aided the teachers as secretaries, allowing the teachers to have more time to concentrate on teaching rather than bookkeeping. While some students serve as secretaries, others walked the halls delivering and collecting call slips and absentee cards. This program offers to the student experience in typing and filing which can prove to be useful in the future.

Mrs. Lucille Goodlad
Administrative Secretary



Pat Reed checks through the files in her job as office monitor in the typing classes.

DISTRIBUTIVE EDUCATION

Mr. Phil De Marco
Director of Distributive
Education, BUSD

The school year 1965-66 was the third year for the Distributive Education Program at Bellflower High School. The Distributive Education Program is a senior elective subject headed by Mr. Philip Demarco in which selected students are involved in cooperative education. They are employed in training at the business of a local employer. Also they are enrolled concurrently in a "control" class where they study a specially arranged curriculum which is designed to integrate with the experiences that they have in training on the job.

The Distributive Education program is definitely a business education subject. Ideally it is the final phase in a planned business study program. A planned program implies that basic, salable skills will have been acquired before the student will be expected to sell and use those skills on a job requiring them. In short, students do not "get jobs," they must qualify by competitive interview or tests with local employers. The responsibility for getting a job rests with the student.

Students in the "DE" course have an actual retail store type classroom in which they learn the business of business.

ACTIVITIES

"AIN'T SHE

Overwhelming excitement filled the air as thousands awaited the announcement of the 1965-66 Homecoming Queen.

As each of the vibrant Princesses was accompanied by their escort down the field, the Buc band played "Ain't She Sweet" and "Thank Heaven for Little Girls," while the drill team formed a heart around them.

Excited Bucs rose to applaud the thrilling moment when the Senior Class President Mike Boyd crowned Queen Bonnie Purcell.

Her court of princesses included Bridget Rose, Eno Adair, Janice Kitchell, and Lynn Conklin, each looking her loveliest in their charming formals.

Preceding the coronation some twenty-three decorated cars participated in the annual parade down Bellflower Blvd. and around the track oval as Mr. Ron Albertson introduced each one. The Bellflower band float captured the trophy for the most original in keeping with the Buccaneer theme.

To put the final touch to this evening, afterwards the alumni and students attended the dance in the Buc gym. Thus ended the reign of Queen Bonnie and her court.

Princess Bonni realizes her fondest dreams come true as she is crowned the 1965 Homecoming Queen.

SWEET'

The audience stands as the 1965 Homecoming Queen Bonni Purcell passes by in the royal convertible, driven by Chemistry teacher Mr. Boyle.

The 1965 Homecoming court honors Queen Bonni Purcell . . . (Left to Right) Princess Bridget Rose; escorted by Don Johnson, Princess Janice Kitchell; escorted by Ernie Horst, Queen Bonni Purcell; escorted by Dan Raphael, Princess Eno Adair; escorted by Jim Caforio, Princess Lynn Conklin; escorted by Dennis Hanson.

THE 1966 HOMECOMING ROYALTY

Not only was the Royal Court made up of lovely young ladies but talented and active B.H.S. students. Queen Bonnie Purcell as a Junior was the Junior Class Secretary. She was a member of the Girls' League Cabinet in her Senior year and she held the office of secretary in that club. She was a member of the Pep Club and G.A.A. She took an avid part in promoting school spirit by being in the Buccaneer Drill team and the Flag Twirlers.

Princess Eno Adair must be destined to be royalty for during her freshman year she was the Record Relays Queen. She was a member of the Spanish Honor Society.

Princess Lynn Conklin has been active in the many areas of interest at B.H.S. She has appeared in the Drama Rama and the modern dance programs. In the area of school management she has been a homeroom representative in the House. She indicated her pride and devotion to the school by marching with the Buccaneer Drill Team.

Princess Janice Kitchell also has appeared in the House of Representatives. She was also a member of the Girls' Athletic Association.

Princess Bridget Rose known to some as a "Big Sister" because of her participation in the Big and Little Sister program, has been a representative in the House and a member of the Buccaneer Drill Team. She was a member of the G.A.A. and showed her interest in football by joining the Powder Puff Football Team.

1966 KING CRAZY LEGS

WINTER SPORTS FESTIVAL

Nancy Heaton, the 1966 Winter Sports Festival Queen, was crowned during the halftime show with El Rancho, but this was not the beginning or the end of the 1966 Winter Sports Festival. Winter Sports Festivals have been carried on at B.H.S. for the past three years. Originated to emphasize the sports going on at that time; wrestling, basketball, and track, it has also increased school spirit and interest.

The Inter-Club Council, whose membership includes the presidents of the numerous clubs on campus, sponsored the Winter Sports Festival this year by having a car wash. Each club member was required to sell at least one ticket and to do some of the actual work. After washing hundreds of cars, most of the club members turned out to be wet people.

The money collected at this car wash went to sponsor the various activities during Winter Sports Festival Week. On February 2nd, there was a Jazz Concert in the Little Theater which featured the B.H.S. Choir, Ensemble, and Dance Band. Connie Carruth, singing one of Peggie Lee's hit songs, highlighted the evening. On February 4th, the student body gathered in the gymnasium for a Pep Assembly. The B.H.S. Wrestling and Basketball Teams were presented by their coaches. "Wrestling is a sport that everybody can take part in," said Wrestling Coach Conrad. He illustrated his statement by asking two of the teams members Mike Ellison and Billy Helm to stand up side by side. Then the moment many were waiting for the crowning of the 1966 King Crazy Legs. Students had given money to vote for the legs of the basketball team. Each penny counted as a vote. Patti Nelson, second semester Yell Leader, announced that Junior Brad Bogle was the 1966 King Crazy Legs and placed the crown on his head. On Saturday night there was a Pizza Dinner and a Hoot. The Hoot allowed many of our talented people at B.H.S. to show their singing talent. Nancy Heaton, as she had been over the dance the night before, was the charming sovereign over these two events. Presiding with her was her lovely court: Lorraine Hardy, Debbie Mark, Denise Perkins, Cheryl Smith, Linda Stevens, Nancy Yoshimura. They were representatives of certain clubs and were selected by the student body.

BHS PEOPLE ENJOY HUMOROUS ASSEMBLIES

Pattie Nelson and Nancy Heaton introduce the various Homecoming princesses at the 1966 Homecoming Assembly.

Left: The fast moving Chrysler Assembly featured the Spurrlows.

Right: Freshman students learned the tricks of the trade from Rex Story.

The Bellflower High School Stage Band often played at the assemblies at B.H.S.

Bellflower High School received many outstanding assemblies this year. Rex Story started off our season with a surprising and educational juggling act. Precarious balancing, a never filling vase, and the vastness of the storage space in his tux, kept the assembly amazed. He taught four willing freshmen some of the "tricks" of his trade. One of the greatest tricks was practice, he emphasized.

Perhaps the greatest assembly that B.H.S. ever had was "Modern Music for Americans". This assembly came to B.H.S. without charge from the Chrysler Corp. people. Music, laughs, and seriousness were the ingredients for this outstanding show. The songs sung by the Spurrlows included "Where But in America" and "Get Me to the Church on Time". The stage band and the Spurrlows boasted many outstanding soloists who performed such numbers as "What Kind of Fool Am I?" and "Little Dreamer Dream On".

Along with the music a talk on traffic safety was presented by a California Highway Patrolman. Thurlow Spurr ended the assembly with a talk on his ideas on life. The finale included the Spurrlows and the band. "This is My Country" made the B.H.S. students realize their pride in their country, the talented people performing and themselves.

Election time brought an election assembly. The candidates took this time to speak to the whole student body. As ASB president of the 2nd semester Chuck Dunster said when someone asked him if he was scared he asked, "How can you be scared when you're petrified!" Much time in some cases was spent on the preparation of speeches: Ann Sherer and her "few notes" and Kathy Roach's dramatic speech which compared B.H.S. to a ship. Some speeches took a few minutes to give and were made up in that length of time also. All expressed that desire to serve their school . . . School Spirit!

The Homecoming Assembly was especially lovely for it was graced by five lovely princesses. Entering down an aisle lined by girls from the Buccaneer Drill Team, the princesses would do before final night. Bridget worrying about getting her hair high enough, Lynn wondering whether to wear her formal or drill team uniform, Bonnie taking her flag along to the game just in case, Janice with her surfboard and straight hair, and Eno worried about how much jewelry to wear broke the assembly into laughter. The princesses, needless to say, reacted to the joke in a royal manner.

Above: a group of modern dancers make a shape study while (below) Nancy Lorenz, Janice Walker, Candi Ryan, and Patti Nelson perform a straddle leap.

SKILL AND PRACTICE

People who go around in black leotards and bandaged toes are hardworking modern dancers. The B.H.S. Modern Dancers are a respected group at B.H.S. Only seniors and juniors can take this class. Tryouts for this class were held this year near the end of the first semester. The students who passed the tryouts will find out next year that with modern dance comes responsibilities and with that, work.

An important part of the entertainment program at B.H.S. is the B.H.S. Modern Dancers. Every year they present a modern dance program. This year B.H.S. students and other members of the community saw dancing which required much skill and practice. The Cerritos Modern Dancers and the B.H.S. Modern Dancers joined forces with other schools in the surrounding area to present a show held under the auspices of the Community Service of Cerritos. This show was under the direction of Miss Gallardo of Cerritos and our own Mrs. Lucille Zabel.

Earlier in the year the Modern Dance Department, headed by Lucille Zabel, hosted the second annual Dance Symposium. Guest dancers were invited to come and instruct modern dance students. This year were privileged to have Deborah Zall, Don Bondi, and Ben Johnson. One hundred and eighty students attended the Dance Symposium this year and came from as far away as Ventura. This is the first time that a modern dance convention has been held on the high school level and where else but at B.H.S. should it take place.

ARE REQUIREMENTS FOR MODERN DANCE

Modern dancers demonstrate team work which is necessary to create and perform dances.

"Not me! Send him to room 101!" yells Simes (Nelson Brindle) as he points to Smith (McKenzie) and Parsons (Eufrona Snyder).

"Well I found a piece of cloth for a curtain," said Lady (Anita Young) to Winston (Steve McKenzie) and Julia (Kathy Roach).

"1984"

"War is Peace! Freedom is Slavery! Ignorance is Strength!" So said Big Brother in the BHS Drama Department's Fall production, "1984". "1984" is an adaptation of George Orwell's book, **1984.**

The theme of the play is a warning of the evils of communism. The main characters were Winston Smith (portrayed by Steve McKenzie) and Julia (portrayed by Kathy Roach).

Much credit must be given to the people who worked backstage. Joy Rhodes, student director, and Dixie Tucker, rehearsal secretary, kept things running smoothly all through those hectic hours spent on "1984". Congratulations to all the cast of "1984".

BIG BROTHER WINS WINSTON SMITH!

Under the watchful eye of Big Brother O'Brian (Gary DeLoach) persuades Smith (Steve McKenzie) that two and two equals five, while guard (Steve Alvis) looks on.

YELL SQUAD DEMONSTRATES THEIR ACROBATIC AGILITY

During the summer, the Yell Squad faithfully practiced four days a week. With Nancy Heaton and Patti Nelson working, both Nancys in school, Jeannie vacationing in Arkansas and Charlene in Las Vegas, we found it impossible to attend Yell Camp. However, we feel that we accomplished a great deal on our own.

This year Yell Squad has had to overcome many problems. The Los Angeles race riots caused the squad to lose their much anticipated yellow sweaters. Due to an oversight, the badly needed forty-inch megaphones were lost. Upon re-ordering, we discovered that the manufacturers were on strike. In spite of having to settle on 30" megs and red sweaters, we have had an enjoyable year.

The purpose of the Yell Squad is to promote school spirit and lead the students in various school yells and chants. Although participating in all sports, we feel we became most closely associated with the basketball team. We feel this was an honor because it showed us the importance of being close to all teams in the future.

We wish to thank Mrs. Kerns, our sponsor, and all the coaches for the co-operation and understanding which they have shown us.

Left to Right: Charlene Williams, Nancy Yoshimura, Nancy Heaton, Jeanne Reed, Patti Nelson, demonstrate their acrobatic agility around the goal post.

OUR YELL LEADERS SHOW SPIRIT OF '66

Donna Watt all pepped-up over tonight's big game.

Buc gridders line the Buc side as team scores touchdown and the spirit of the Buc crew kept higher than ever by our own Denice Perkins, Janice Walker, Karole Kimbal, and Candi Ryan.

Head Majorette Sheri Shepard led the team this year very successfully.

To be a BUCCANEER MAJORETTE requires co-ordination. Before one can begin to learn the routines, one must know how to twirl a baton. Routines must be learned and relearned to have a strong team that looks good together. This year the Buccaneer Majorette Squad has proved to be dedicated to bring honors to B.H.S.

The hard working squad began working during the summer to perfect their routines. Sporting their sparkling red and gold outfits, they began their year of performance during the football season. They accompanied the band in all their performances during this season. They attended the All-Western Review, the Huntington Beach Parade and the National City Parade this year.

Later in the year they went to Arroyo High School to compete against other schools from various areas of California. They returned to B.H.S. with a very high score.

BUC MAJORETTES WORK HARD TO HONOR B.H.S.

Below, from left to right, are Buccaneer Majorettes Linda Stewart, Lorraine Lucero, Shirley Washnick, Sue Sulzer, Jeannie Hipple, Sheri Shepard.

Back Row: Bonnie Purcell, Roi Ann Johnson; Front Row: Francine Severs, Kathy Rathburn, Vicky Thompson.

BUCCANEER FLAG TWIRLERS WORK TO PROMOTE SCHOOL SPIRIT

Kathy Rathburn 1st and 2nd Semester Head Flag

"To promote school spirit means to work hard," stated Kathy Rathburn, Head Flag. The BUCCANEER FLAG TWIRLERS gave many outstanding performances this year at the games, pep rallies, and assemblies. Whether it was behind the B.H.S. Band, or performing in Pep Rallies and assemblies, the Buccaneer Flag Twirlers worked hard to bring sportsmanship as well as spirit to B.H.S.

Leadership, honesty, and most of all, interest is needed to have success. The Buccaneer Flag Twirlers have achieved success by fulfilling the opportunities given to them this year.

Captain Rosi Prusinski

People who are in step make up the Bellflower Bucaneer Drill Team. Bellflower High's Drill Team has existed as long as the school itself. However, it has only been in recent years that the Buccanettes have achieved such popularity and recognition. Much time and effort, contributed by each and every member of the Drill Team, has gone into the preparation of halftime shows, parades, and other performances — all of which have been completely worthwhile. Under the leadership of Captain Rosi Prusinski, and Co-Captain Terri Colpo, and sponsor Mrs. Kerns, the Bellflower Buccanettes have striven to become an organization which Bellflower High School can be proud of.

Co-Captain Teri Colpo

1966 BUCANETTE DRILL TEAM

GO TEAM!

Cheering our boys on to victory started on Friday during snack at Bellflower High School. Usually a place for eating and dodging seagulls, the snack area was transformed into a flashing red and gold show place. Leaping yell leaders, singing song leaders and graceful flag twirlers attracted B.H.S. students to the snack area. The Pep Squad spent extra hours planning and executing these Pep Rallies. Guest speakers and our own coaches were often heard speaking to the students on school spirit at these rallies.

Rainy season initiated another tradition concerning Pep Rallies at B.H.S. Buccaneers now gathered in the East wing of the gym instead of the snack area to show their support to the team.

Patti Nelson takes a flying leap as the students respond to a yell at the football game.

B.H.S. students watch as the Flag Twirlers perform at one of the many pep rallies this year.

The B.H.S. Orchestra Ensemble. Genia Chapman, Eufrona Ann Snyder, Jackie Smith, Alden Benton, Kay Campbell, Wayne Anderson, Hillary Liana, and Linda Jaszarowski.

GAILY DECKED ORCHESTRA GIVES MANY CONCERTS

Left: Genia Chapman, President; Hillary Liana, Vice President; Eufrona Ann Snyder, Secretary. Below: Linda Jaszarowski, Librarian; Linda Digiacinto, Freshman Representative; and Katie Switzer, Librarian.

Kay Campbell, Student Director

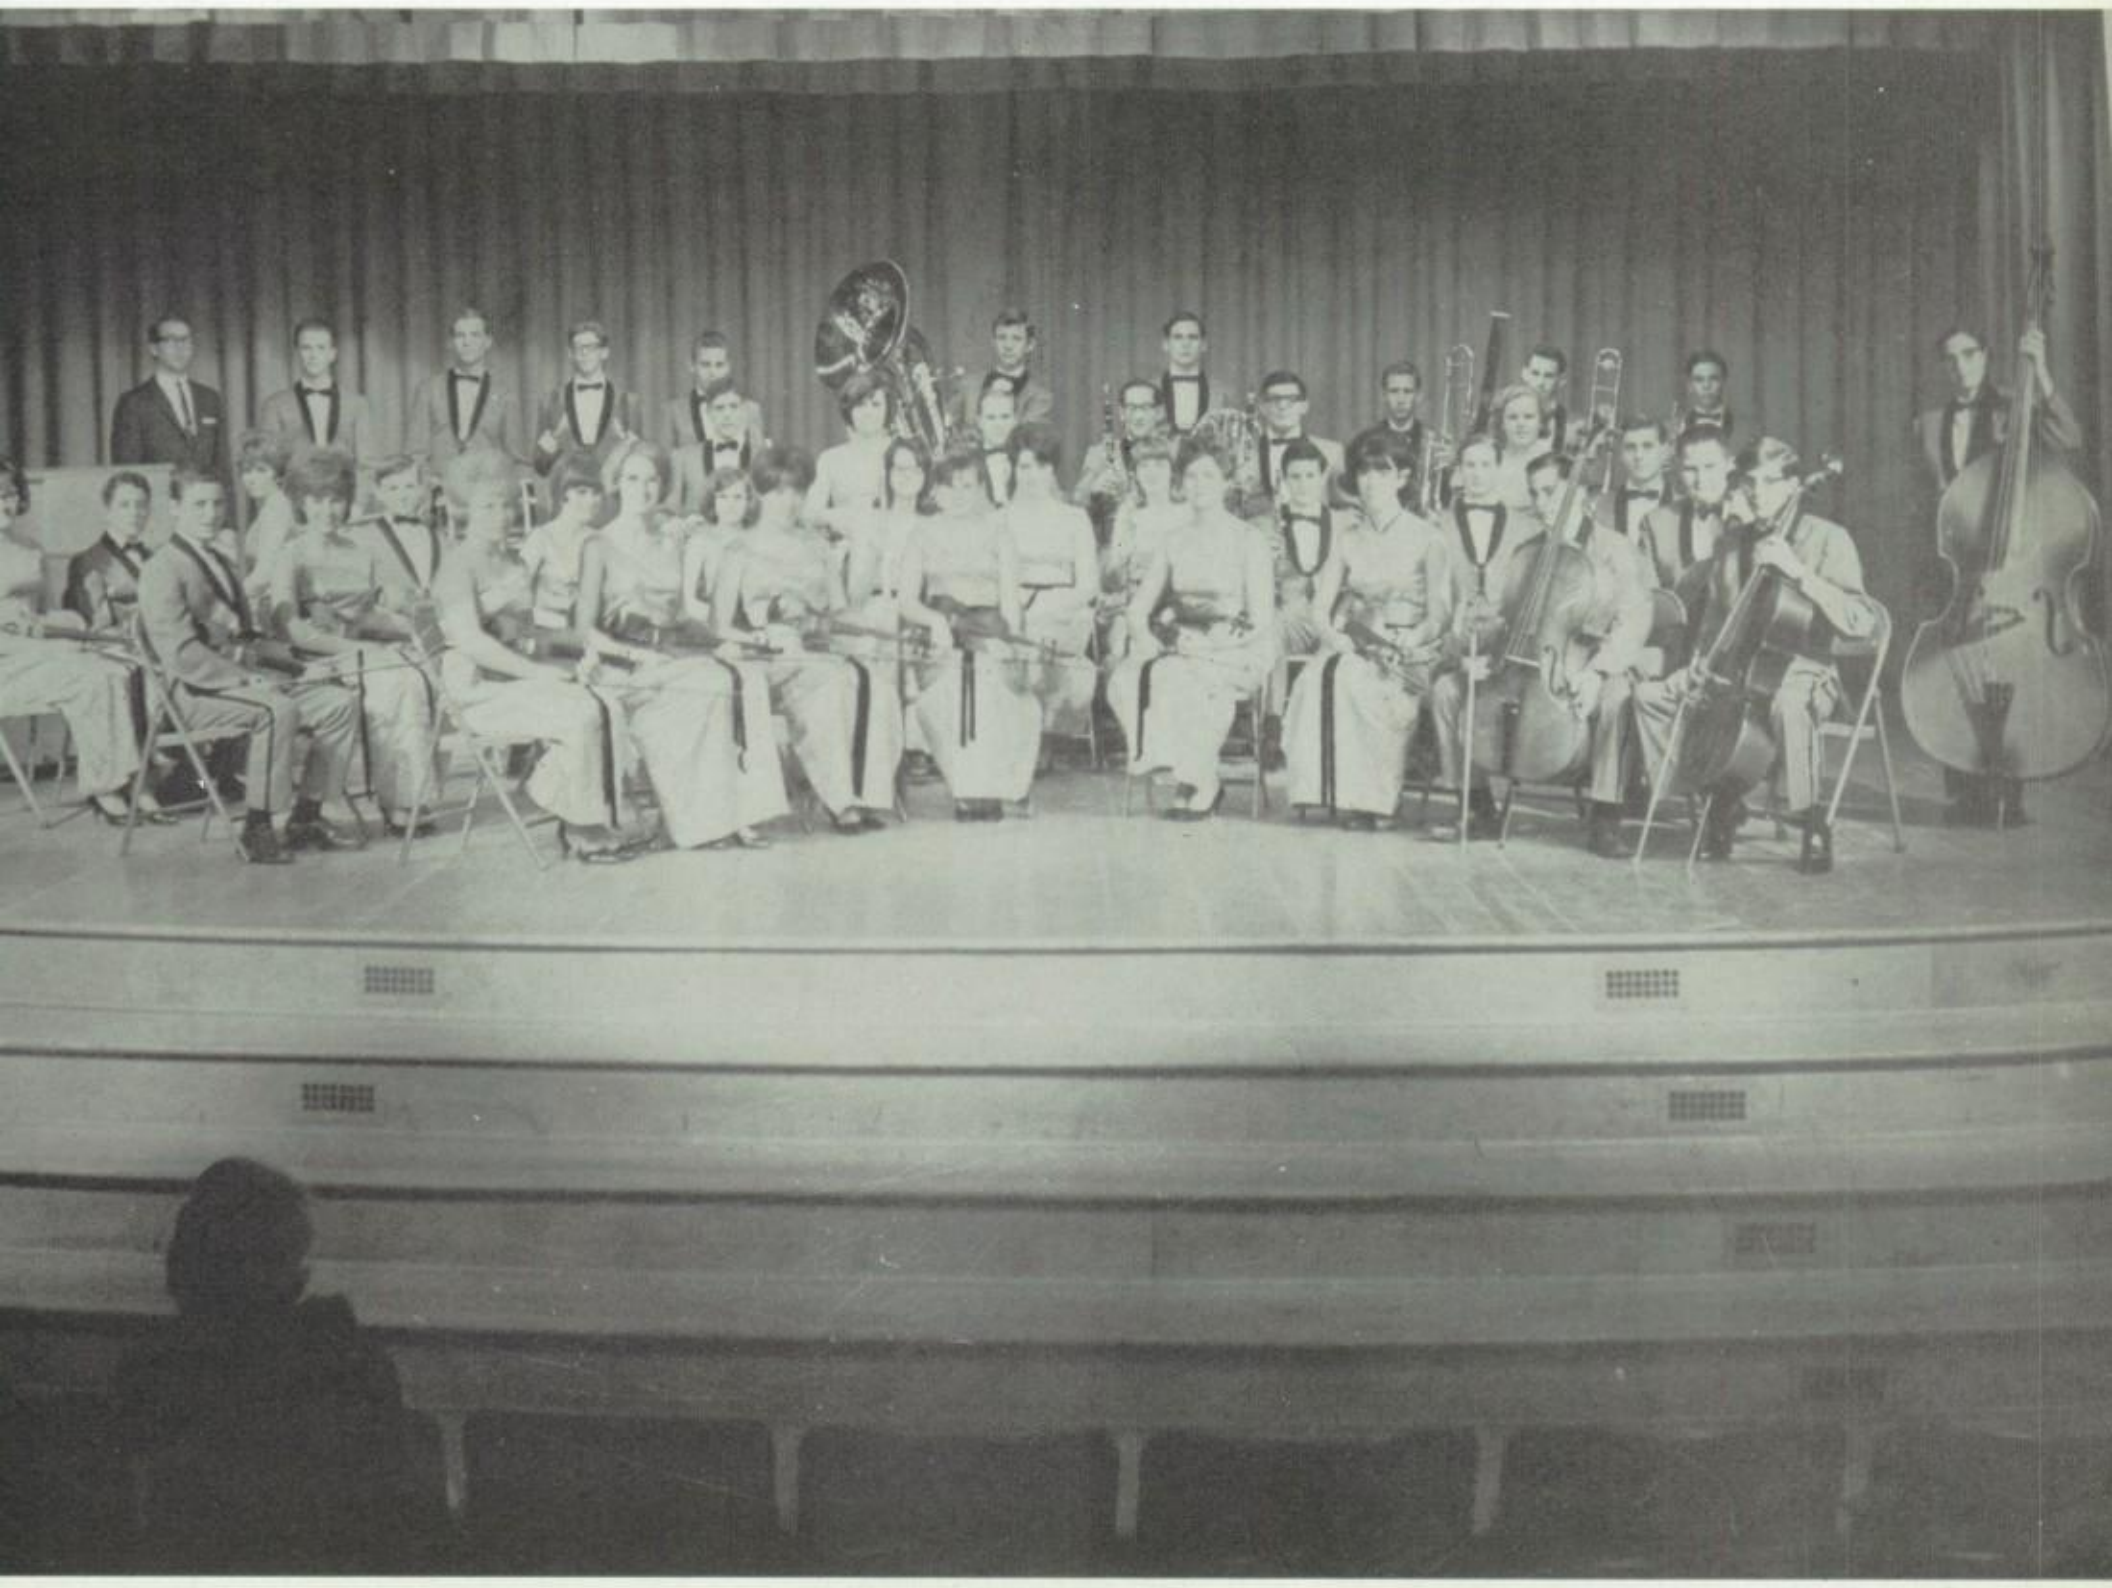
For people who were members of the 1966 Bellflower High School Orchestra arriving at school at 7:00 A.M. became a habit. Every Thursday morning the members would meet at this hour and practice for the many concerts they gave.

The B.H.S. Orchestra gave many outstanding concerts this year. The Orchestra presented an early concert in the fall but it was not until the Christmas Concert that the B.H.S. Orchestra appeared in their new uniforms. The ladies wore floor-length gold formals and the gentlemen, red dress uniforms.

People in the B.H.S. Orchestra must be talented, industrious, patient, and appreciate music. The Orchestra Council included Genia Chapman, President; Hillary Liana, Vice President; Eufrona Ann Snyder, Secretary; Linda Jaszarowski and Katy Switzer, Librarians; and Freshman representative Linda Digiacinto.

Mr. Larry Lowder, Director

THE 1966 BELLFLOWER HIGH SCHOOL ORCHESTRA



GIRLS GLEE AND MIXED CHORUS

THEY SANG AND SANG . . .

"Jingle Bells, Jingle Bells" . . . sang the Bellflower High School Choir at the 1965-1966 Christmas Program. The choir was one of the many members of the music program that performed for the audience. Directed by Mr. Larry Lowder, and Mr. Tom Prince, the Choir, Girls Glee, and Mixed Chorus worked to learn and perfect songs. Much practice was required to satisfy the two directors.

The Ensemble sang for the various service clubs and at the Hollywood Bowl. Their schedule was a demanding one, especially at Christmas time when they presented a Christmas Assembly for fellow students.

In the fall the Choir, Ensemble, the Girls Glee, and the Mixed Chorus joined forces with the BHS Orchestra to give the 1965-1966 Fall Concert.

In spring came the Broadway show featuring outstanding students.

Highlight songs from Broadway shows were well sung by the large cast.

CLUBS

HOURS OF HARD WORK ARE NECESSARY TO BE A THESPIAN

To advance and improve the program of the dramatic arts at Bellflower High School was the goal of Troupe 1442 of the National Thespian Society.

The people who are members must be hard working, talented and night owls.

To become a Thespian one must earn ten thespian points which equals 100 working hours.

Hours of hard work and preparation are necessary to put on various plays throughout the year.

Under the vocally dynamic Mr. Newman, advisor, and pleading student director Joy Rhodes, the students involved in an outstanding Fall Production of 1984.

Delightful as ever the "Littlest Angel" and "The Grinch" appeared on the B.H.S. campus at Christmas time. This event is sponsored by the Thespians and the Paramedical Careers Club. The funds and donations acquired are used to give a Merry Christmas to some families.

To develop the students' talent and interests, special workshops and make-up was offered this year, going to see "Medea" is an example of field trips offered to all who have taken part in the Drama Productions, the finale of the play is the Cast Party.

Pep Club creates school spirit. It is composed of individuals who are interested in Bellflower High School.

Pep Club decorates goal posts during football season.

Pep Club is also in charge of the annual Faculty Night. This event is usually held at the last home game of the season to honor B.H.S. faculty. The faculty comes early for refreshments and entertainment. They are then escorted to a special section in the bleachers. At halftime, students bring coffee and hot dogs for the faculty members' enjoyment.

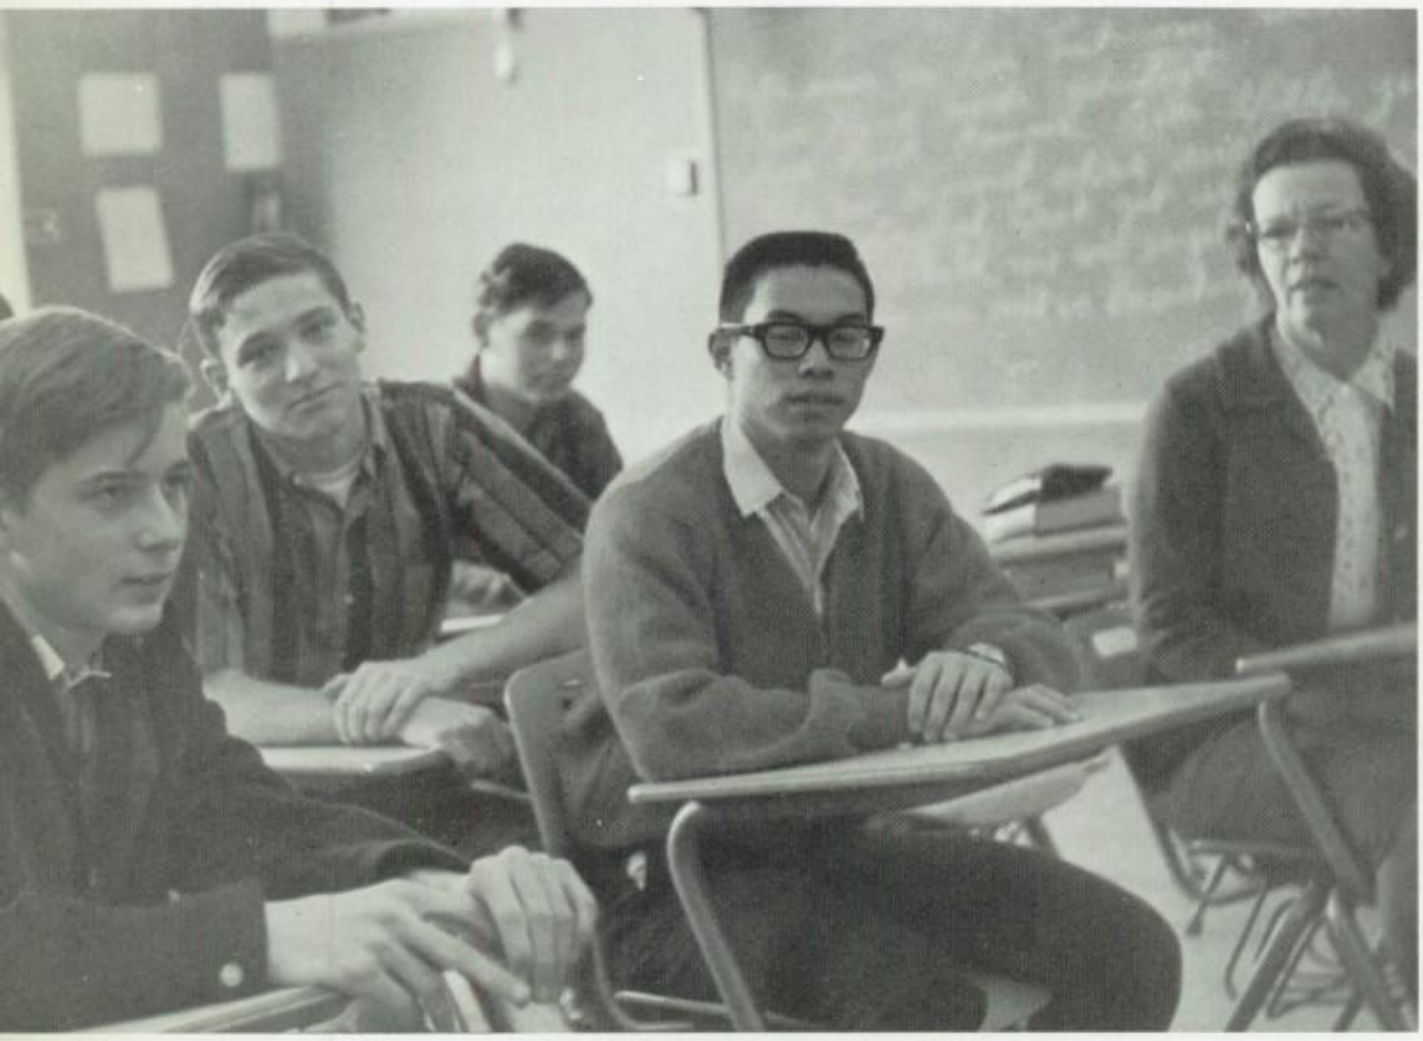
Pep Club is concerned with bettering the school through the students.

PEP CLUB

Nancy Heaton, aided by Mr. Moore, heads the groovy discussion for the future plans of the Pep Club.

Attentive members of the Pep Club, who meet every Wednesday after school in room o06 discuss plans for future activities.

GERMAN CLUB MEMBERS STRIVE FOR A BETTER UNDERSTANDING OF THIS LANGUAGE



The purpose of the German Club is to lead students towards an understanding of German culture and to give them an opportunity to exercise their knowledge of German. Sponsor Mrs. Stegemeier was aided by officers Gary DeLoach, President, Anita Young, Vice President, Sonya Tachranyan, Secretary, and Ralph Wilkenson, Treasurer.

"Buddenbrooks", a German film, was seen by the club at Cerritos College and they also viewed exhibits in the Cerritos Art Gallery.

Supper and swimming describes one party given by the club for the members.

Pictured above are members of the German Club in their weekly meeting.

FOREIGN LANGUAGE CLUBS EXTENDS STUDENTS STUDIES

An elite group is the Spanish Honor Society. It is a national society sponsored by teachers of Spanish and Portuguese who belong to the parent association—American Association of Teachers of Spanish and Portuguese for students.

One of the major events of the Spanish Honor Society is the invitations of the new members. This fulfills the goal of the club: to honor students who excel in Spanish.

Students who wish to be members must make an "A" two semesters in a row.

Other activities of this club are taken with the Spanish Club.

President, Nancy Heaton, presided over the Girls League Cabinet 1st semester.

Outstanding was the Girls League this year, in their fashionable blue and brown uniforms.

With the assistance of Dr. Torres and Miss Sandra Brown, and President Nancy Heaton, the Girls League decided on the proper attire for girls at B.H.S. The Girls League heads the Friendship Club, Ways & Means, Modes and Manners, and Home Economics Club, and supervises their activities.

The Student-Teacher Tea was again sponsored by the Girls League, and at this tea the Seniors honored the teachers for their many hours of work.

The main purpose of the Girls League Cabinet is to promote friendship, high ideals, and the appropriate dress and activities for girls.

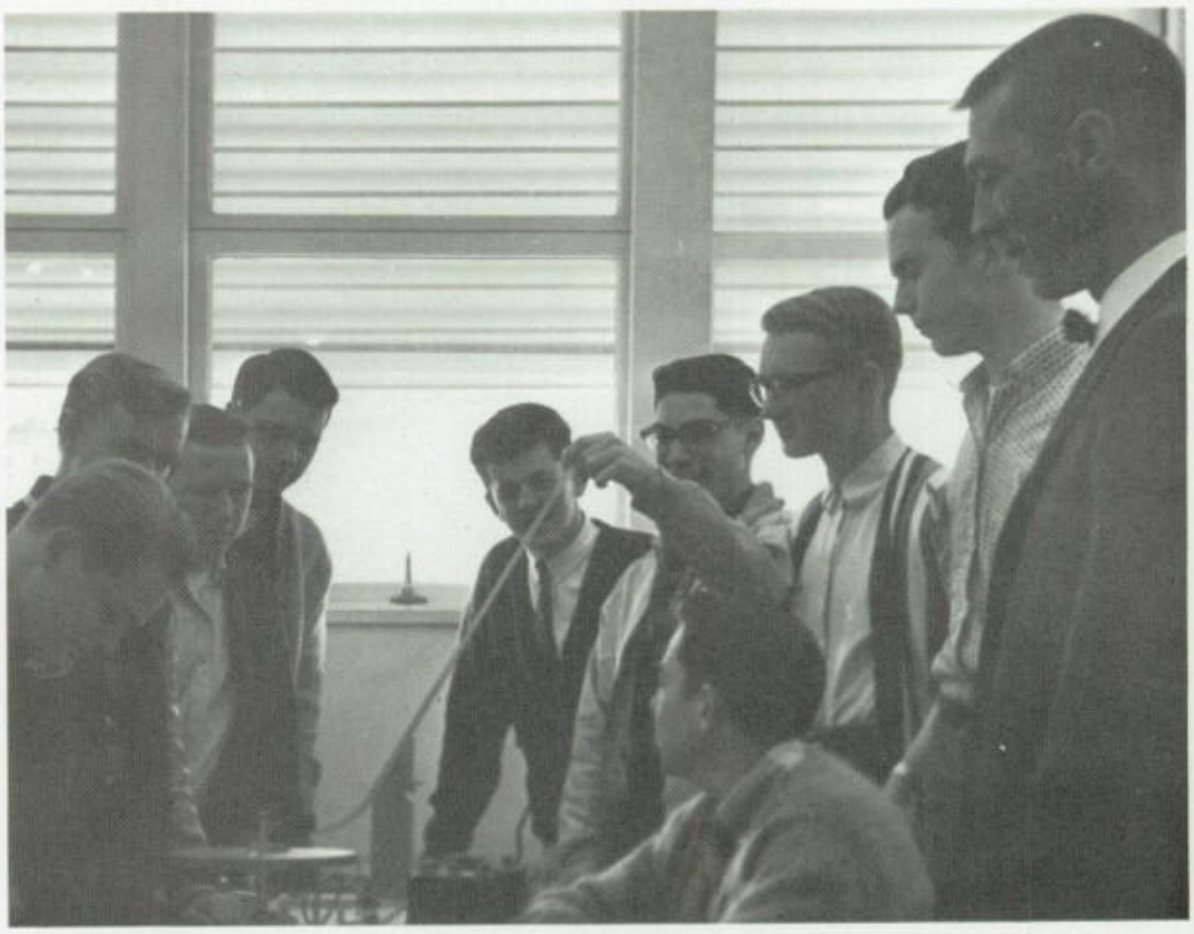
Back Row: Pat Adams, Jeanie Reed, Nancy Heaton, Dixie Tucker, Donna Rhodes; Front Row: Jeanette Barks, Dede Crampton, Lorraine Lucero, Anne Sherer.

DEFINITIVE LOOK INTO THE WORLD OF PHYSICS

Members of this club went on many fascinating excursions and field trips which were well planned by President Eugene Traxel and Secretary-Treasurer Mike Yoeman, with the assistance of advisor Mr. Mitchell.

Early in the year they visited Los Angeles State and Long Beach State and North American. They had the opportunity to see an air car and Electron Microscope.

The purpose of this club is to investigate physical phenomena and to visit industry which will demonstrate applied physics.



THE SWEET SMELL OF SUCCESS IS A CONSTANT ENJOYMENT OF HOME EC PEOPLE

Stimulating the interest of girls in the field of Home Economics and to provide a small scholarship for a college bound senior majoring in this field of study are the purposes of this club.

Advisor Mrs. Martin along with club officers, President Jeanne Whittington, Vice President Sherry Pickel, Secretary Kathy Gullixson, Treasurer Mary Gullixson, and Gaylene Moomey, Activities Chairman, all work to make this club's projects a success, and to help undertake their active program of events.

Some of these are their charity Christmas Project, the Spring Installation Tea and other projects relating to Home Economics.

HARD WORK AND LONG HOURS REAP GREAT RECORDS FOR C.S.F.

C.S.F. (California Scholarship Federation) is a club which is composed of members who earn membership by outstanding grades in academic classes, and school service. The first semester membership was 57. C.S.F. members worked on the Winter Sports Festival, went on a trip to the Music Center, and participated in the Quiz Bowl at John Glenn High School.

C.S.F. Sealbearers are students who have been members for six semesters with no "D's." Phi Beta Kappa graduates have been members every semester with no "C's". C.S.F. members also share information about colleges and scholarships. Sponsors are Mr. Stits and Mr. Richard Hester, aided by President Patti Nelson.

Left to Right; Linda Karns, Debbie Bourget, Lea Whalen, Bob Kyomura, Don Gold, Randy Slaughter; Ann Karns, Teri McConnell, Margaret Budig, Adrian Tapia, Eufrona Snyder, Nancy Mirch, Teri Colpo, Mike Bonazola.

G.A.A. GIVES THE OPPORTUNITY FOR GIRLS TO PARTICIPATE IN SPORTS

Very active people join the Girls Athletic Association. In the four major league sports days this year, BHS girls in G.A.A. competed against such schools as Excelsior, John Glenn, Norwalk, Artesia, Gahr, and La Mirada.

Teri McConnel presides as president over this active group. Other officers are Barbara Solimeno, Vice President; Elaine Baca, Treasurer; Sue Connelly, Corresponding Secretary; Nancy Yoshimura, Secretary of Publicity; Diane Deneen, Historian; Eileen Rosenthal, Sophomore Representative; Ellen Simms, Sergeant-at-Arms.

Selling programs at football games provided money to buy awards for girls outstanding in G.A.A. These awards were presented at the annual Awards Banquet at the end of the year.

Nineteen sports including bowling, golf, and archery were offered by G.A.A. Golfers this year were able to go to Heartwell Golf Course, and later they were able to go to El Dorado Golf Course.

During this year the annual Christmas party was held at Teri McConnell's house.

In league competition the G.A.A. won all championship games, and they were awarded first and second place trophies.

The members of G.A.A. that were interested in Bowling met this year at Clark Center Bowling Alley, and bowled in league bowling.

The selling of sweatshirts and bracelets was one of the major money raising projects. The goal of the G.A.A. this year was to be able to purchase an Instamatic Camera.

Back Row: Linda Whalen, Teri McConnell, Sue Connelly, Karen Cosner, Diane Deneen, Diane Smith, Miss Waltner, Sponsor. Third Row: Pat Uzzi, Linda Black, Jackie Smith, Beth Torrence, Rosa Gardea. Second Row: Ellen Simms, Eileen Rosenthal, Pat Roy, Carla McConnell. First Row: Barbara Solimeno, Elaine Baca, Elaine Berman.

1965-1966 G.A.O. Officers.

Knowledge of the rules and regulations of team sports, and gaining skills in these sports is the main purpose of the Girls Athletic Officials. The members of G.A.O. officiate games for G.A.A., and help to improve the quality of the play.

A girl does not have to be a member of sixth period physical education to be a member of G.A.O. The names of girls are suggested for membership by faculty and students. New members are elected by a majority vote by those present at the meetings.

Written invitations to join the organization are sent to the girls accepted. To maintain membership a girl must officiate one sport in G.A.A. during a school year, and she must pass a written examination on the sport she is officiating.

Different awards are issued according to how many years the girl has participated.

Some of the activities in which the G.A.O. participated in this year was the Fall Progressive dinner which was held for the reception of new members. In March the club went to the beach.

MAKE SURE WE PLAY BY THE RULES

Many of these girls are active in both G.A.A. and G.A.O. Here, members of G.A.A. play a hard, furious game.

BLADE STAFF STRIVES FOR BIGGER AND BETTER BLADE

VOL. XV NO. 3 Bellflower, California DECEMBER 3, 1965

The clicking sound of typewriter keys, and the constant sound of business defines the sound of the hard working Blade staff.

Under the direction of their Editor-in-Chief Terry Newman and their advisor Mr. Fred Kelm Blade Staff accomplished many things this year, among which was a bigger and better Blade and a new masthead design.

The Blade, published every other week had many assistants who helped in the editing of the Blade; News Editor, Lynn Geal; Editorial Editor, Margaret Hannah; Sports Editor, Fanny Ferreira, Exchange Editor; Kay Dexter; and Copy Editor Francine Farrell with the assistance of many others. Our Blade Staff made layouts, gathered news, wrote stories and headlines, met deadlines and finally produced the finished product every other week.

Several members of the Blade Staff went to various newspapers publishers to get a "birds eye view" of newspaper production methods.

Mike Olsan, Lorraine Lucero, and Jerry McDonald discuss copy problems in newspaper editing.

AN APPRECIATION OF FRENCH ART AND LANGUAGE ENJOYED BY CLUB MEMBERS

How can you learn more about the French language and culture, other than the regular class room procedure? "You can join the French Club", says club president Paul Burney.

An appreciation of French art and language enjoyed by club members. French language has an ability to express clearly. Its beauty and elegance encourages members to improve French vocabulary. Artists of France are known as individual geniuses by their work; not as Frenchmen. With Miss Sandra Brown as their advisor, club members interest and knowledge increased as they found new sounds and beauty. This magnificent find they shared and they tried to interest others in another of the world's CLASSICS.

Left to Right: Phylis Muchmore, Eileen Kumagi, Paul Burney, Margaret Morita, Miss Sandra Brown.

PROMOTERS OF FRIENDSHIP!!

Promoting the Big and Little Sister Tradition this year was the primary purpose of the Friendship Club this year. In this tradition the Senior and Junior Girls help the incoming Freshmen Girls become more acquainted with the school, its rules, and traditions.

The Friendship Club participated in the Inter-Club Council Car Wash which was held to raise money for the Winter Sports Festival.

Under the Leadership of President Lil Taylor, and Vice President Dixie Tucker, the Friendship Club also participated in the organization of the Sadie Hawkins Day. Although there are few members in this club this year, they hope to gain additional members next year, through more activities and projects.

INTER CLUB COUNCIL STRIVES FOR UNITY

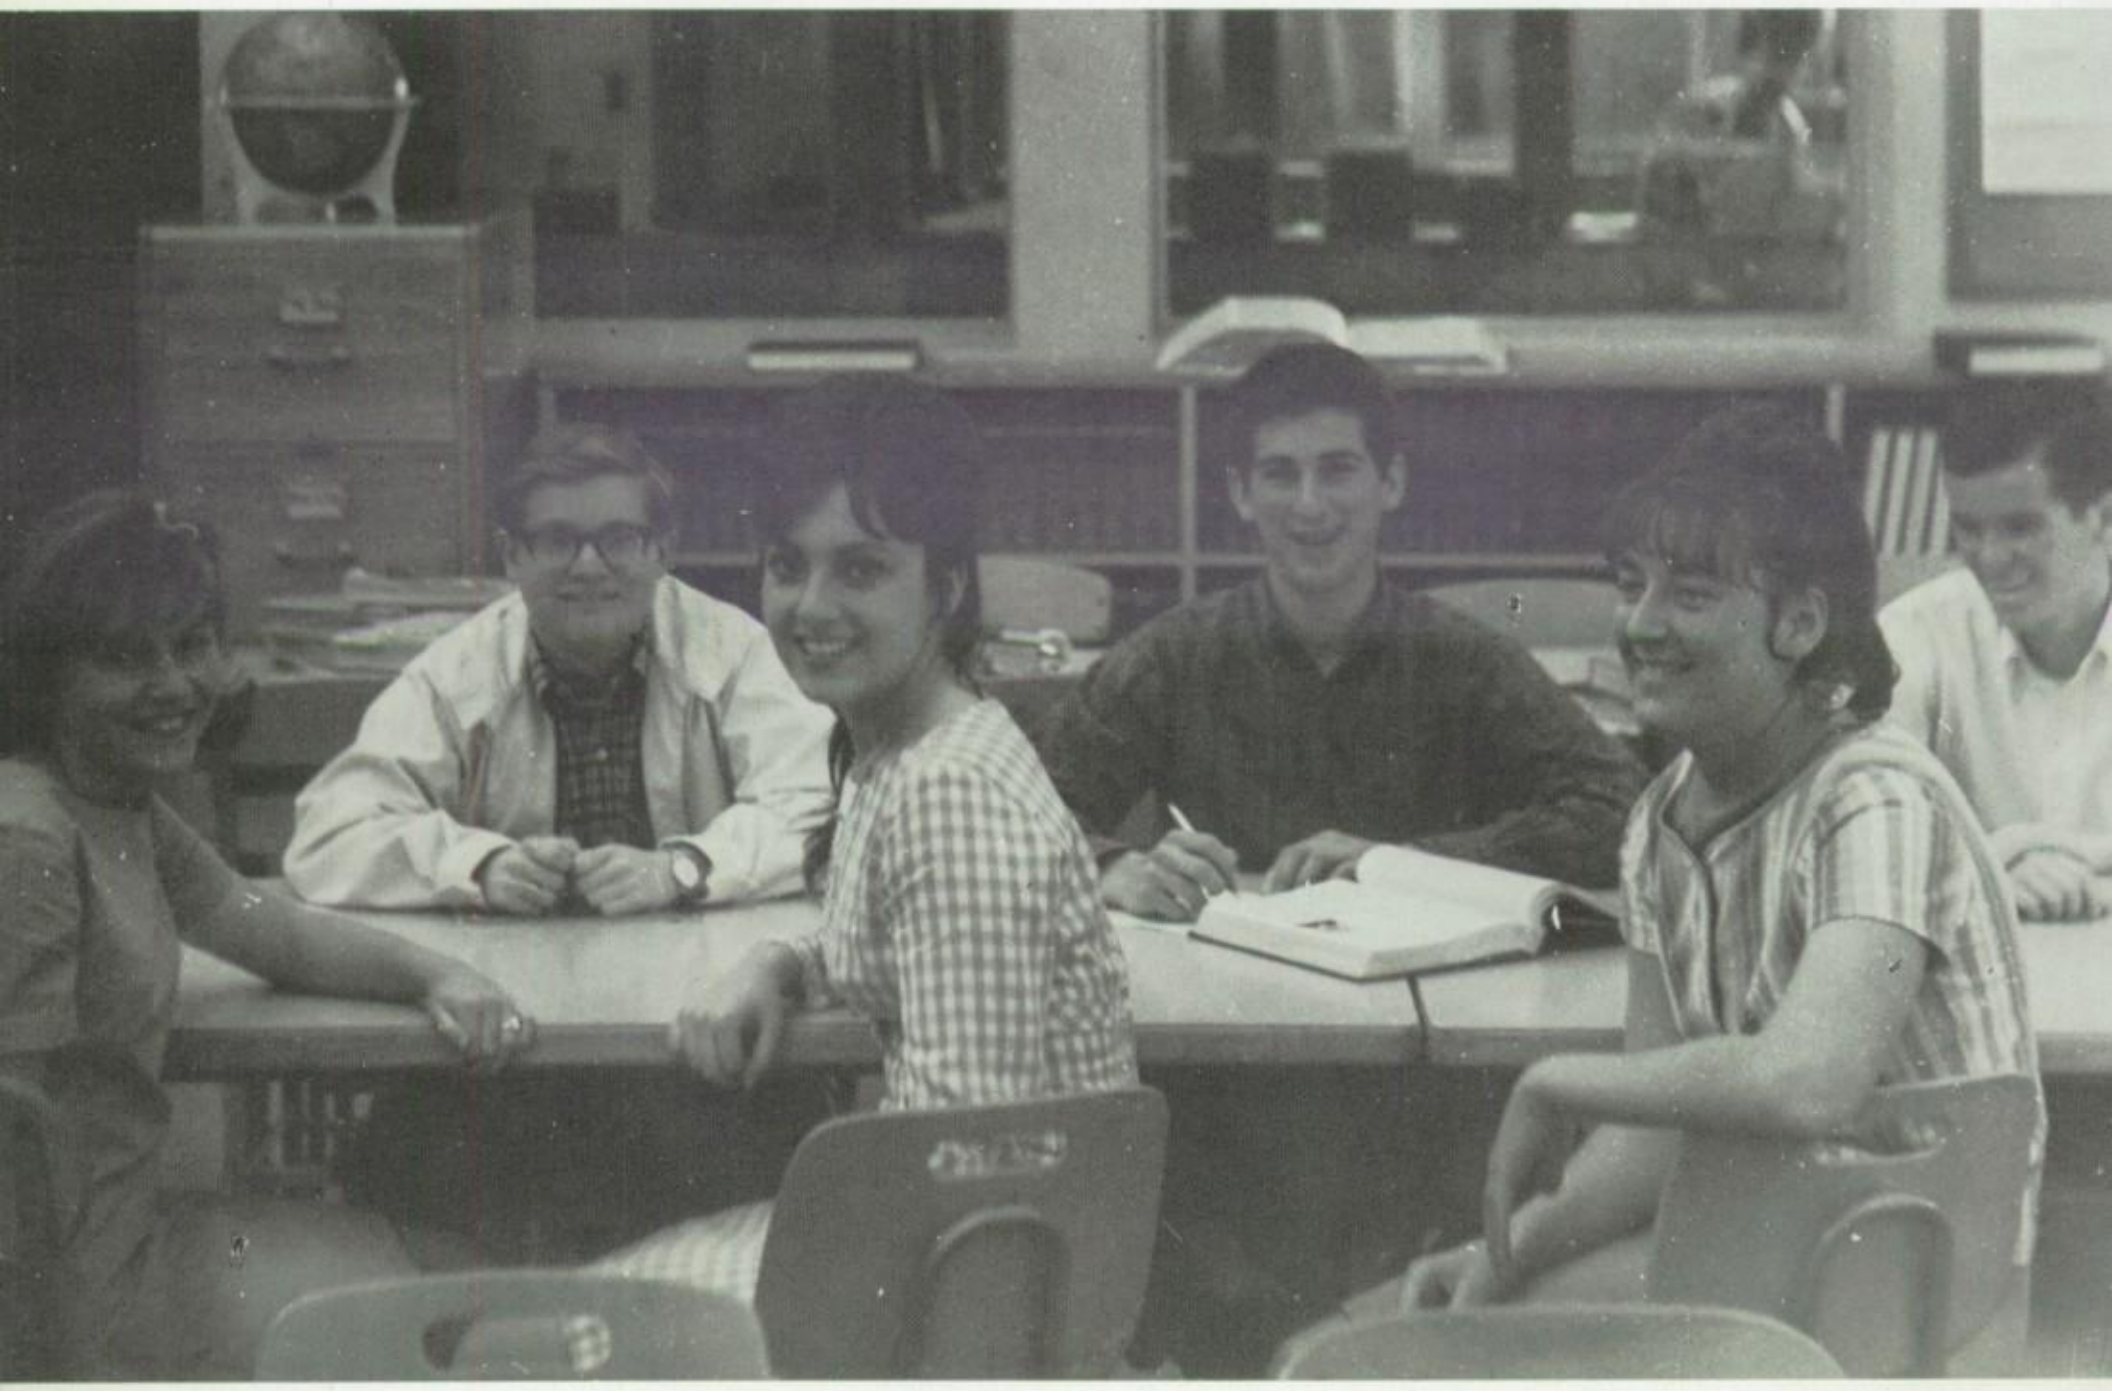
First Semester: Sheri Shepard

One of the primary functions of the Inter Club Council this year was to unify the clubs on campus by initiating the Inter-Club Council for the second year.

Under the leadership of the First Semester Secretary of Activities, Sheri Shepard, the Winter Sports Festival started off with a "Bang." The Inter Club Council sponsored the Inter-Club Council Car Wash, in which all members of the various clubs on campus participated by selling car wash tickets. As it all turned out, the Car Wash was a big success. The money from this car wash was used to promote the Winter Sports Festival, and to purchase the Queens crown, flowers and for the decoration of the throne. Thanks to the Inter Club Council the Winter Sports Festival was well organized and a wonderful success.

Second Semester: Janice Walker

Left to Right: Barbara Mog, Bill Moore, Andi Manes, Oon Gold, Ann Karns, Dave Arizend.



CARE TO ARGUE . . . . THEY DO

Speaking for audiences both on and off campus, and promoting High School Speeches was the main purpose of the National Forensic League.

The National Forensic League with the assistance of President Jim Caforio and advisor Mr. Ronald Albertsen was able to honor Bellflower High School by bringing home many trophies and awards this year.

Top to Bottom: Duncan Fane, Steve Wells, John Barrett, Mark Alexander, Darryll Wood, Brent Cross, Jerry Katz, Ralph Taylor, Joe Felardo, Willie Van Lerup, Mr. Alberson, Candy Klatt, Chris Mayne, Jane Culp, Adrian Tapia, Lennie Loggins, Pam Black, Melonie Casserlie, Ron George, Roger Alves, Terri Morse, Linda Gayhart, Jeanene Williams, Carol Brannon, Denise Perkins, Bill Moore.

TROPHIES IN THE TROPHY CASES SYMBOLIZE N.F.L.

HIDDEN SPRINGS HERE WE COME!

Biology Club members observe the antics of a mouse. Left to right: Gary Lybrook, Kay Dexter, Lynn Geal, Cora Bruce.

Biology Club provided an opportunity to socially get together and discuss educational views. It boasted of a fifty-five membership. Sponsored by Mr. Smith and Mrs. Hersek, the club found time for many activities outside of the classroom. Adrian Tapia, president, led the club in various projects at B.H.S.

The Biology Club has in past years carried on school work projects. They have planted trees around the cafetorium and shrubbery around the Science Wing. One of the main off-campus activities of the club was a trip to Hidden Springs. The members there centered their attention around collecting animals, insects, and going on hikes.

The Biology Club is a member and chapter of the Future Scientists of America of Bellflower High School.

1st row: Phylsis Muchmore, Gloria Lazicki, Donna Jones, Mary Jakubiec, Barbara Solimino, Elaine Baca, Barbara Mog, Lorraine Freeman. 2nd row: Pam Camp, Andi Manes, Carla McConnell, Jan Douglas, Kay Dexter, Lyn Geal, Gail Cleek. 3rd row: Bill Stanton, Cora Bruce, Teri McConnell, Margie Torp, Diane Deneen, Margaret Williams, Eileen Hamblin, Gary Lybrook, Anita Young, Nancy Yoshimura, Lewis Oostenink, Mrs. Hersek.

HELPING THE NEEDY FOR WELFARE

The Paramedical Careers Club has been very active on the campus this year. Each year they have several campus activities, at which the proceeds are used for Thanksgiving and Christmas welfare work. The purpose of this group is to acquaint interested students with professional and vocational medical and allied careers.

Second Row: Herman Sacks, Gary Lybrook, Phil Gimbaresi. First Row: Lyn Geal, Kay Dexter, Jackie Smith, Lorraine Freeman.

EXCHANGE STUDENTS FROM MEXICO
HUGO VELASQUEZ Y GREGARIO FRAGA

ART PEOPLE ARE CREATIVE PEOPLE

Raising funds for Art Scholarships for deserving people was one of the major accomplishments of the Art Club this year.

To acquire the money needed for the scholarships the Art Club put on Art Shows and Sales at which paintings by the students were offered for sale.

The first project of the year was the making of floral pictures used to decorate the students home.

At Christmas time the Art Department provided a more colorful picturesque Christmas Program, this year by making Christmas Stained Glass Windows for decoration. In conjunction with this project, Christmas decorations were made to be sold at the Fall Art Show.

Later in the year the Spring Art Show was put on During Dramarama.

Linda Jaszarowski demonstrates her talents.

Second Row: Phil Giambaresi, Kathy Gregory, Ray Meyers, Lewis Oostenink, Andrea Manes, Mrs. Wittich. First Row: Linda Jaszarowski, Ken Pederson, Pam Hall, Sylvia Castellano.

Left to Right: Dana Edwards, Margie Torp, Karan Cox, Dave Hawkins, Dixie Tucker, Linda Green, Sandy Shaw, Lorraine Freeman, Mrs. Jean Alexander.

NEW LIBRARY CLUB-SEEKS DIRECTOR

President Margie Torp, Treasurer Dave Hawkins, Vice President Dixie Tucker.

Under the leadership of President Margie Torp and Vice President Dixie Tucker the Library Club was formed this year.

Newly formed this year under the direction of Mrs. Jean Alexander, the clubs stated purpose was to stimulate student interest in books, libraries and higher education.

The main activities this year of the Library Club was several trips to various institutions such as U.C.L.A., U.S.C., and Henry Huntington Library and Art Museum.

TEST TUBES AND BUNSEN-BURNERS ARE FAMILIAR TO THE CHEMISTRY CLUB

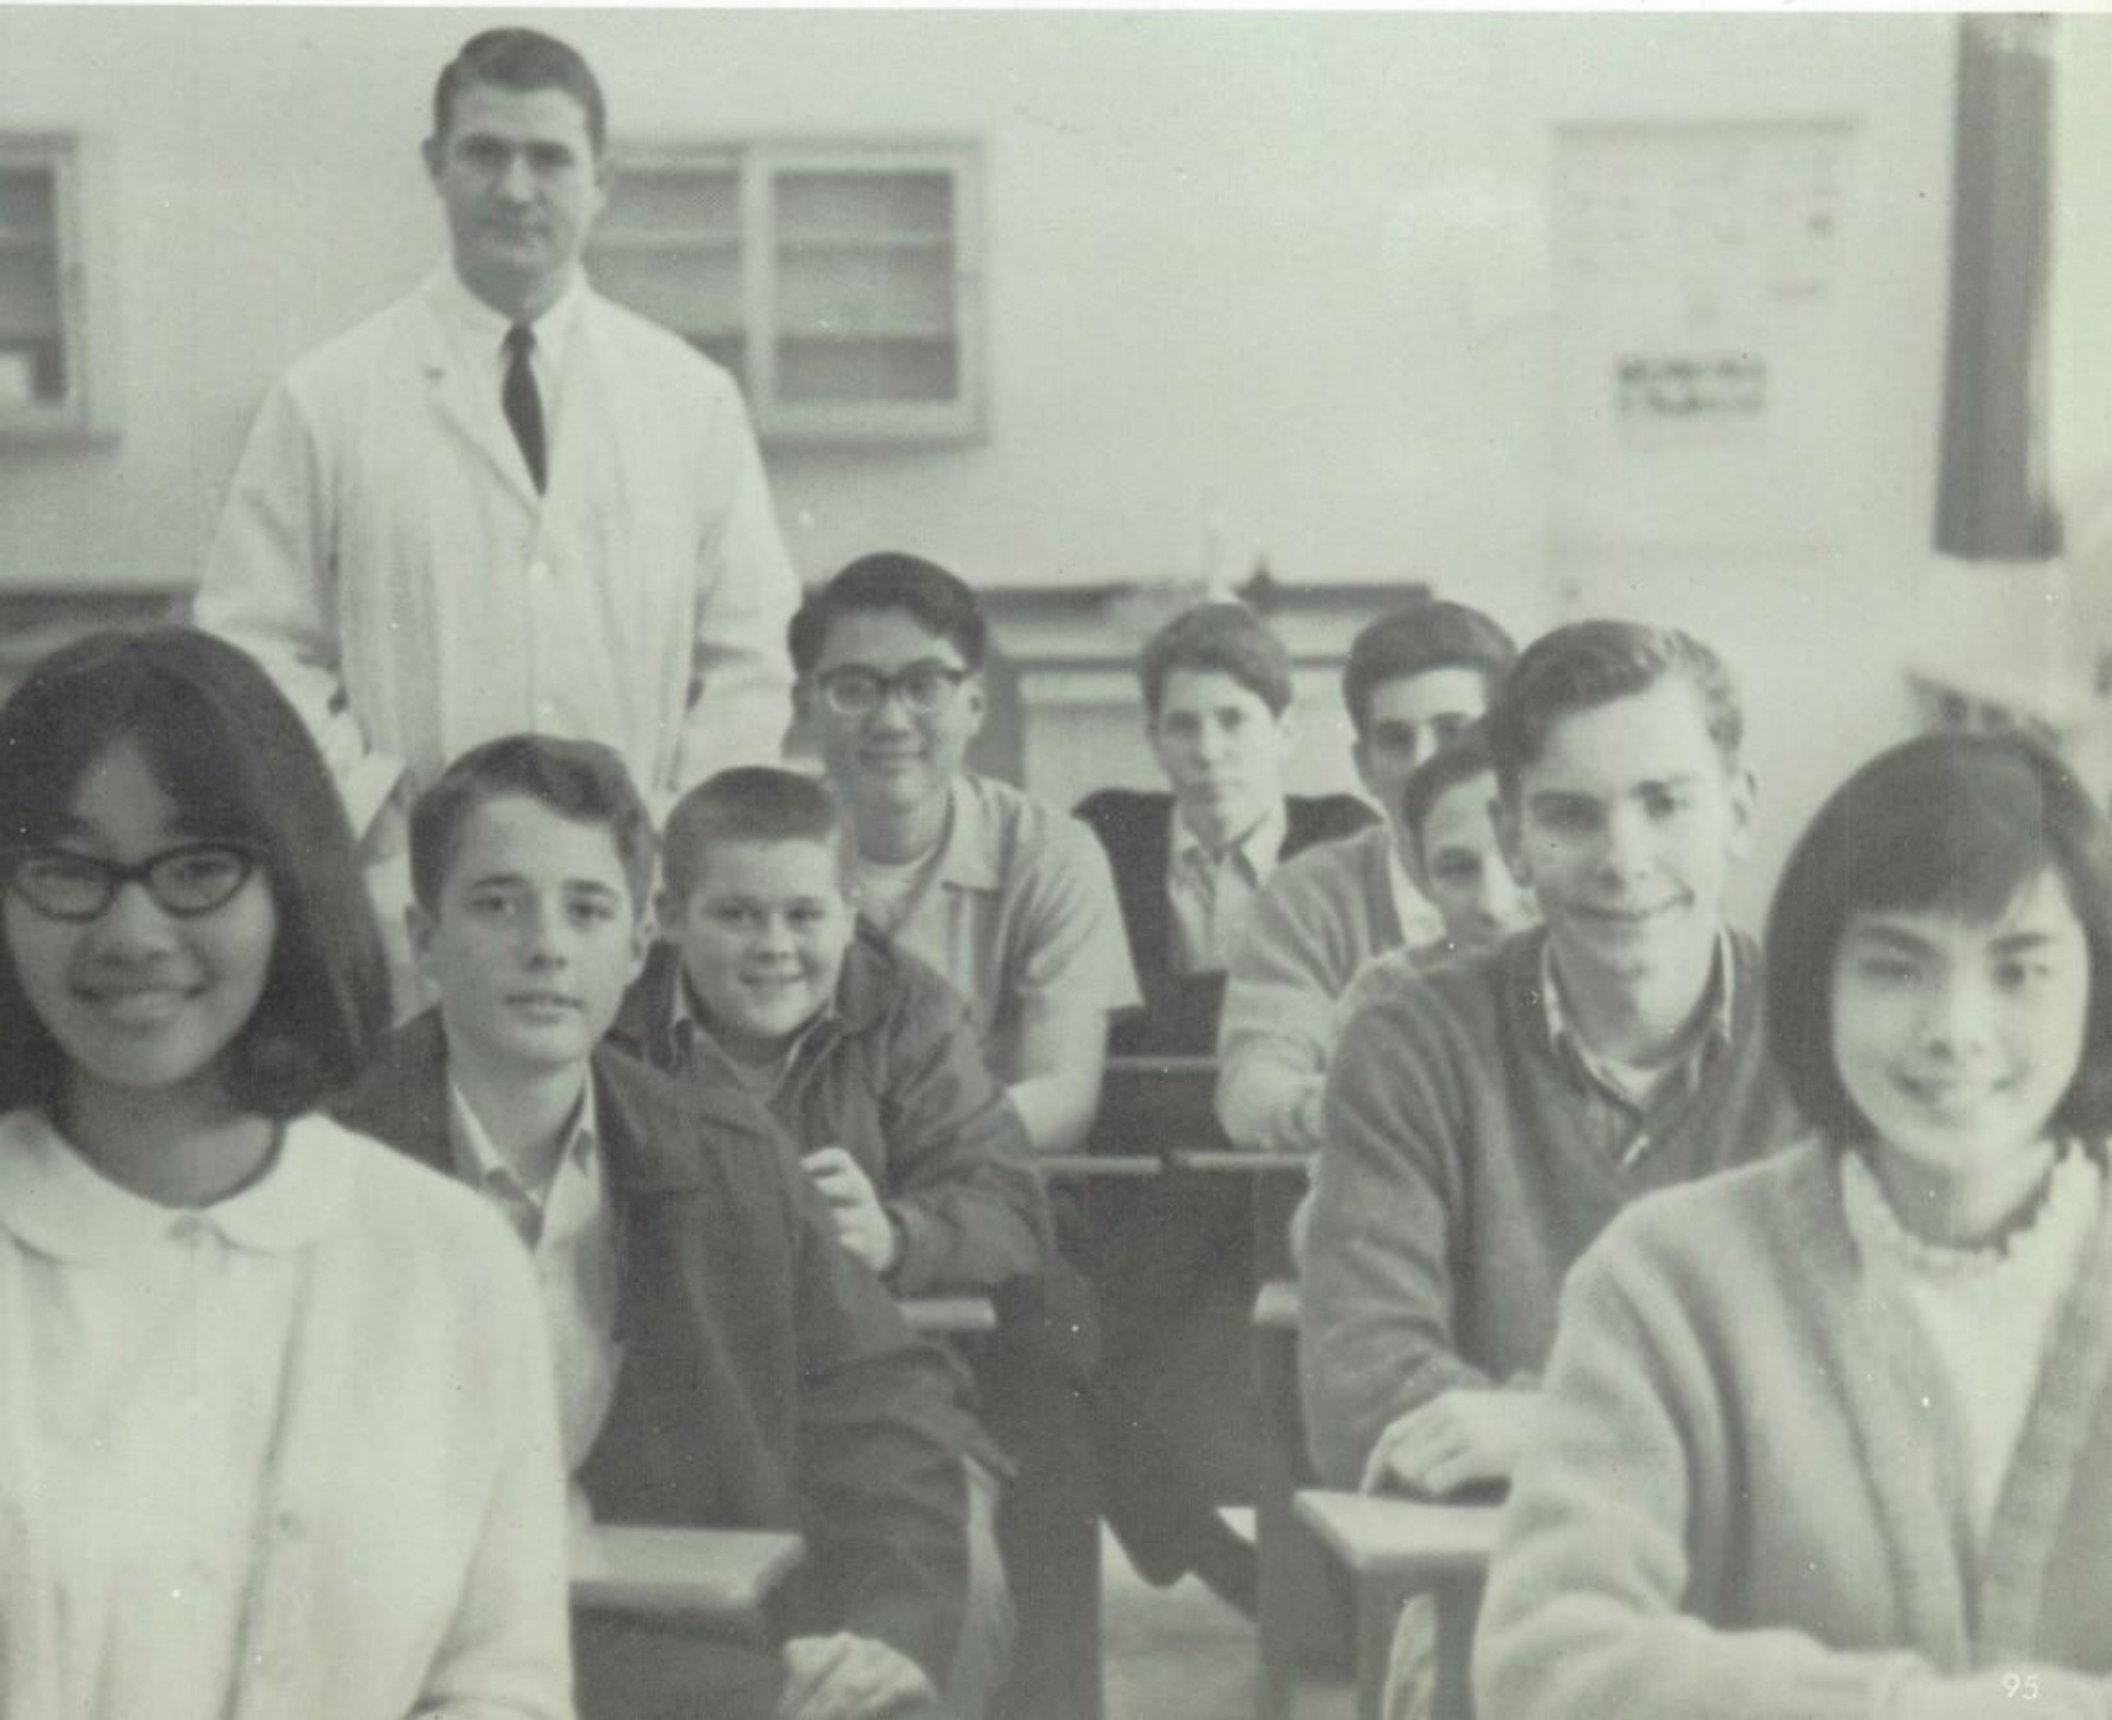
The Chemistry Club members are not hung up on Bat Man although they sometimes wonder about their sponsor, Mr. Larry Boyle.

The club's first act was to rewrite their constitution.

As with most clubs, money for their treasury was a major problem. The club decided to alleviate this problem by selling mistletoe around Christmas time.

The purpose of the Chemistry Club is to promote interest in the growing field of Chemistry.

Left to Right: Carol Shimamoto, Wayne Anderson, John Babcock, Mr. Boyle, Robert Kyomura, Chris Sherman, Danny Gold, Mike Maddock, Troy Reynolds, Eileen Keimagae.



MATH PEOPLE ARE CALCULATING PEOPLE

Participating in field days visiting various colleges, and having a variety of social affairs are some of the activities of the Math Club, Mu Alpha Theta.

Advisors, Mr. Modlin and Mrs. Botherton assist the officers of this club to make it a successful one.

These officers are Barbara Mog, President; Terri McConnell, Vice President; Gary Lybrook, Secretary - Treasurer; Nancy Yoshirmura, Director of Activities, and Anne Karns, Sergeant-at-Arms.

This club was formed to engender keener interest in Mathematics, to develop sound scholarship in the subject and promote enjoyment of Mathematics among the students.

Back Row: Mr. Modlin, Troy Reynolds, John Ellens, Mary Sanders, Diane Cade, Bill Stanton, Anne Karns, Margaret Williams, Mrs. Botherton. Front Row: Bob Kyomura, Joe Felardo, Eileen Kumagae, Linda Karns, Terri McConnell, Barbara Mog, Carla McConnell, Nancy Yoshirmura.

SONGS OF MANY LANDS ARE THE INSPIRATION

FOR FOLK SINGERS ANONYMOUS

Encouraged by advisors Mr. Don Fiebing and Mr. "Wild Bill" Endsley, the members of the Folk Singers Anonymous showed enthusiasm and interest in folk singing and folk guitars.

President Tony Salchak, Vice President Don Drysdale, and Secretary - Treasurer Barbara Miller all work hard to promote the activities of this club, such as the annual Hootenanny in February during the Winter Sports Festival, a benefit sing at the Long Beach Memorial Hospital, and a visit to the world renown Cosmos.

Front Row: Don Drysdale, Tony Salchak, Bruce Hennis, Pam Hall, Louise Bensema, Vickie Bensema, Kathy Davis. Back Row: Cheryl Elliott, Kathy Altergott, Barbara Miller, Mr. Endsley, Lorraine Hardy, Mike Drury, Pam Downy, Sally Stone, Virginia Perez, Mr. Feibing.

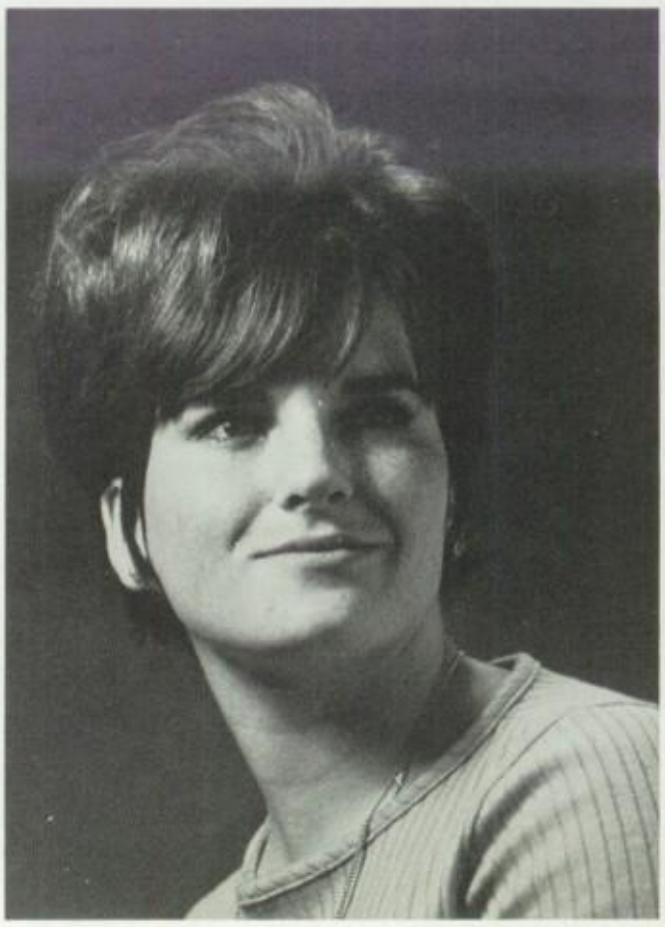
1965-1966 WORKS TO TREASURE

Lewis Oostenink

Dixie Lee Tucker



We, the staff of the 1965-1966 Treasure Chest, have created a different type of annual for you, the students of Bellflower High School, this year. We have been trying to get out of the rut and into the new ideas, and a new and different theme.

We narrate in words and pictures the story of the year, 1965-1966 at Bellflower High School.

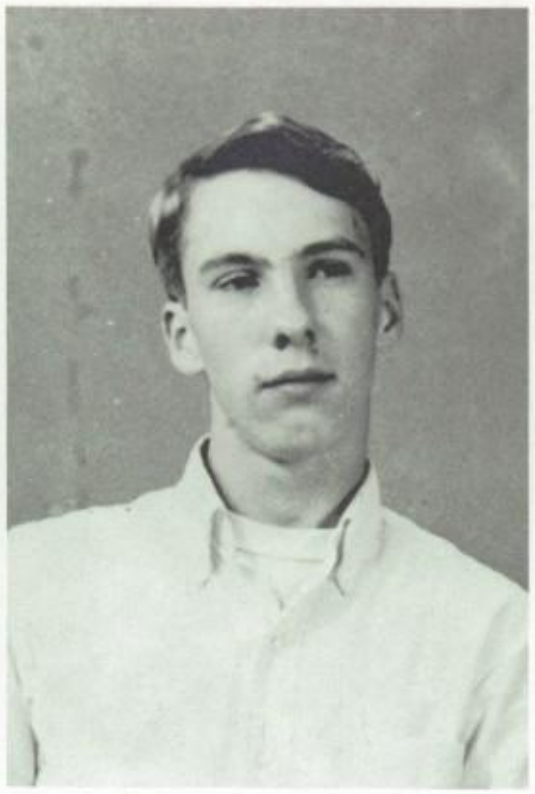
Supported by a small but willing staff, Co-Editors Eufrona Snyder and Susan Weston, with the unequaled help of Dixie Tucker, went about their tasks of planning the book, making layouts, scheduling pictures, assigning copy and captions.

Guided by our adviser, Mr. Don Moore, who constantly demanded perfection and accuracy, and NEW ideas in all our work, we struggled to meet deadlines despite the small staff and inadequate materials.

To assist us in learning the necessary steps in editing a yearbook, Mr. Bill Hubble of Taylor Publishing Company was a great help.

Also to assist us in the photograph department, Mr. Robert Routh gave us immeasurable help when we needed it.

Cheryl Holsapple



Ron Wilkins

Eufrona Ann Snyder

ANNUAL STAFF MAKE BEST CHEST YET

Mr. Don Moore

Sharon Smith

Lewis Oostenink and Cheryl Holsapple worked diligently on the underclassmen's section, and Sharon Smith worked on this section also. Ron Wilkins, Ron Ballou, and Theresa Nolan all worked many hours to get the many photographs that were needed to complete this Treasure Chest. All of these staff members gave up many of their own hours to meet deadlines that came up seemingly all at once.

As the days and the hours ticked by, we worked to give you an annual that is worthy of the days, months, and years that you have spent here at Bellflower High School.

We hope that in the future years, when you look back through the pages of this Treasure Chest, you will remember all of the good times, and even the bad ones, that constituted your years at BHS, and that you will look upon them as fond memories.

The annual staff of 1965-1966 hopes that you will enjoy reading this annual as much as we enjoyed putting it together.

It has been a long, hard job, but we wouldn't trade the experience for anything. It has had its rewards, and its problems, but we have weathered them all and come through, we hope, with flying colors.

And so now—we give this Treasure Chest to you, the students of Bellflower High School, and hope that we have done a job that is worthy of this great school, and its great students.

ODELL'S TOUGH VARSITY BUCS COP SGVL SECOND SPOT

A TOUGH NEW "BREED" of Buccaneers, adding color and zest to the 1966 San Gabriel Valley League race for the top spot, scored an impressive 3 wins 2 loss record in taking second slot in the league. Spurred on by the stimulating words of new Head Coach Clayton Odell we almost went to CIF.

Starting off slowly, the Bucs lost the first game of the year to La Mirada 7 to 28 on the home turf. End Jerry Loutherback won 'Player of the Week' honors for outstanding play in the game. Outstanding Quarterback Mike Olson led the team to a thrilling 15 to 20 victory in Cerritos Stadium, in the bounce-back clash with cross-town rivals from Mayfair. The first game 'on the road' found the Bucs on the short end of the score as Lynwood cooled us 21 to 6. Halfback Ron Hewitt got the nod as 'Player of the Week' for his work in the backfield that night. Back home again against the Bears of Warren High, Running Back Wayne Yary proved too much for the Warren Eleven as we ran over them 33 to 21.

With some of the starting players on the sidelines with injuries the Bucs were on the road again, and stopped the Norwalk Lancers, 22 to 13. All CIF Selection Mike Ellison took 'Player of the Week' nod for his outstanding defensive play. Back to Excelsior Stadium for the second week in a row the powerful Pilots proved too much for the Bucs as they lost a heartbreaker to Excelsior 26 to 21. End Jay Bohreer proved his ability in this one and won his well deserved honor as 'Player of the Week'.

Early November found the Bucs back on the home field and aided by the hard running of Halfback Phil Horton, stopped the Santa Fe Eleven, 14 to 6. The season was rapidly drawing to a close when California High came aboard and ran smack head-on into the running of "Dashing Dan" Tsujioka, who will be back next year, and got stopped with only one tally as the Bucs won 13 to 6.

The powerful Dons from El Rancho sang a sweet swan song in the last game of the season as the Bucs were shut-out 25 to 0, and giving them the league crown. This was the last of the Dons we will see as they will no longer be in the San Gabriel Valley League.

All League Selections went to Buccaneers Bruce Smith, Sophomore Tackle, who should prove to be valuable to the Bucs next year, Junior Halfback Wayne Yary, and Seniors Mike Ellison and Mike Olson. Mike Ellison was voted "Most Valuable Lineman" in the league, as well as being picked to the Third Team in the All-CIF Selections.

A proud smile breaks across the face of Mr. Tom Wells, Principal, as he holds the coveted Buc-Monsoon Trophy after the thrilling 20-15 victory over the crosstown rivals from Mayfair. This is the second year in a row the Bucs have won.

HURRIERS PLACE 4TH IN S.G.V.L.

The Buc Hurriers had a fair season as they placed 4th in the San Gabriel Valley League Finals held at Bellflower. Starting off the season with a 42-23 win over the La Mirada cross country crew, the Bucs went on to the following meet to beat crosstown Mayfair 42-21. In the third contest of the season the Bucs took on Lakewood and Lynwood in a tri-meet and won with scores of 29 for Lakewood and 44 for Lynwood. The Bucs scored a season high of 59. The first loss of the season was to the Warren Bears as the Bucs fell 15 to 49. In the first of the San Gabriel Valley League meets against Norwalk the Bucs team fell 15 to 50 against the Lancers, and by an identical score in the next meet with Excelsior. In competition with the Santa Fe team the Bucs showed their form in a 41 to 24 victory, and followed up with the 15-50 score for the third time in the season, this time coming out on top over the Cal-Hi runners. Revenge was in order in the last meet of the season with the El Rancho team as the Bucs made it a 31 to 24 victory to cap off a fine 7 wins and 3 losses season.

The JV's had a 4 wins and 6 losses season as they scored wins over La Mirada, Lakewood, Lynwood and Santa Fe. The JV team placed 2nd in the S.G.V.L. Finals. The undermanned Frosh Novice team lost 3 and won 2 of the first five meets.

Chuck Dunster shows fine form as he races for the tape in this years cross country action.

HOOPSTERS FINISH 3RD

VARSITY STARTS SLOW . . . FINISH STRONG.

The Varsity Buccaneer Hoopsters had a slow start this season with a 2 win and 4 loss practice season. When the League Games started the Bucs got hot stopping the Lancers in the opener 69 to 56, and following it up with a win of 85-70 over Excelsior. Next on the victory list was Santa Fe, the Bucs stopped them 59-45. The first loss of the season was to the Cal Hi Five 54-73, they were to end up as the S-G-V-L- Champs. Unable to overcome the loss to Cal the bucs dropped the second in a row to the El Rancho team which finished 2nd in the League. The win over Norwalk gave the Bucs the needed boost as they went on to score wins over Excelsior 77-61 and Santa Fe 67-62. With only two games remaining the Bucs dropped one to Cal 59 to 71 but came back to win the closing game with El Rancho in a real thrilling 58 to 57 Buc Victory, that put the Dons in second place rather than a tie for first.

The mighty "Cee" hoopsters fought a tough 20 game season to come out on top of the San Gabriel Valley League, as CHAMPIONS. Starting the season off with three losses, the Cee Bucs went to beat Artesia 41 to 33. The Cee Classic found the Bucs winning over Jordan and dropping games to Bosco and Redondo. Two more losses to Arroyo and L.B. Poly and then the practice season was ended with a win over the L.B. Wilson 5. Heading into the League Season with a not too impressive 3 wins and 7 losses the CeeBucs lost the first one to Norwalk 25-40 but came on strong to trounce Excelsior by 13 points, Santa Fe by 4 points and then lost to Cal by 2. Back on the win side of the ledger again with a 47-45 victory over the El Rancho Donnies. Norwalk came back to stop them for the second time in the year 25-34. The last four games of the year found the CeeBucs winning them all in a 36-26 victory over Excelsior, and a 33-31 win over Santa Fe and then 33-30 to beat Cal after a previous loss. The CROWN was put on in the last game with El Rancho as the Bucs won 39-37.

All the school tips there hats and hopes to see much more of these fine Cee Hoopsters.

WRESTLERS GIVE GOOD SHOWING

GRAPPLERS STORY

The Buccaneer Grunt and Groan group failed to fare well in this years competition. The first contest of the season was with the Norwalk Lancers and the Lancers literally came out on top by a score of 46 for the Lancers to the Bucs 10. In the second contest of the year the Bucs were up against the Excelsior Pilots and lost a heart breaker, 27 to 28. Santa Fe proved as hard to beat as the Lancers as the Bucs dropped it by a score of 9 to 42. The last two contests of the season found the Grapplers up first with the California club and Cal Hi came out on top with a 16 to 35 victory. El Rancho was next and last to top the Bucs as they won in a 40 to 9 tromp.

Not many people show up for the Wrestling meets and this is most unfortunate as the action is as fast and exciting as football and there is more than enough color and excitement to make it a top spectator sport.

Bucs 10	Norwalk	46
Bucs 27	Excelsior	28
Bucs 9	Santa Fe	42
Bucs 16	California	35
Bucs 9	El Rancho	40

The view from the bleachers of the Buc wrestlers waiting there turn at the grunt and groan sport.

MIKE OLSEN

ATHLETE OF THE YEAR

The Athlete of the Year is chosen by the Coaching Staff. Selection is based on the extent and depth of the boys athletic endeavors, and his involvement in activities and student government. Also important to the selection is the boys grade point average.

Mike has spent four years on the Buc campus. During his stay he has lettered for three years in Varsity Football and won the award for the Most Improved Player. He also won the Most Valuable Back Award for Football. His outstanding award for Football must be having been selected as All League for two years in a row.

Mike's award for Basketball is having been selected as All League. Mike lettered in Varsity Basketball for three years.

As a Varsity baseball player Mike has also lettered for three years and won the All League Award for baseball. He has also won the Most Representative Award.

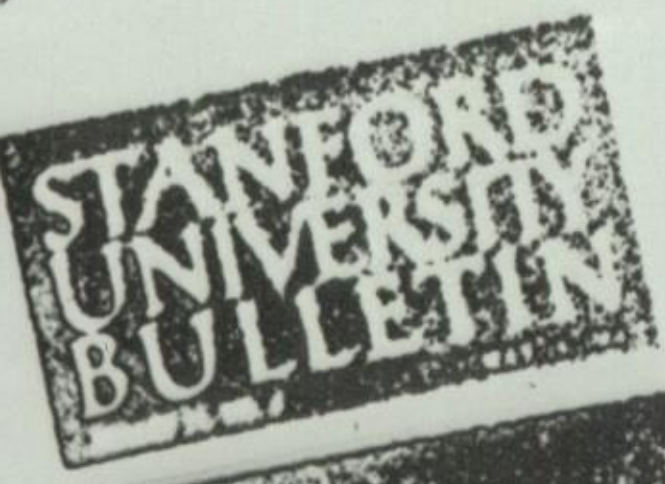
In his Freshman year Mike was on the Frosh baseball team, the J.V. basketball team and the Bee football team.

Mike ran for ASB President this year and was defeated in his efforts. But Mike did serve as the President of the Sophomore Class and BAA.

Olson shoots in action this year in the Buc Gym.

Mike is in the back of the bus as the Bucs return from the Santa Fe game in a spirit of victory.

Cerritos College
Catalog



"I expect to pass through this world but once. Any good therefore that I can do, or any kindness that I can show to any fellow creature, let me do it now. Let me not defer or neglect it, for I shall not pass this way again."

SENIORS

Spirited, enthusiastic, and traditional, the class of nineteen hundred and sixty six proudly graduates from Bellflower High School as one of the most outstanding classes to move on to the next phase of their life. All through their high school years they have been the carriers of spirit, the models of enthusiasm, and the martyrs of tradition.

Beginning with their freshman year, they sponsored activity nights and hops, and really got into the swing of things when they won the United Fund Drive and received Senior Square for a day, much to the disgrace of the class of "63". Also, the freshman candidate for Record Relays Queen, Eno Adair, won the Honor over the other candidates.

They continued their show of spirit in their sophomore year when they again won the United Fund Drive, with the freshmen running a close race. The class of "66" bought the flowers for the Homecoming Queen and her princesses and the banner that was carried in the Homecoming Parade, decorated the Queen's throne, and sponsored more activity nights and soc hops.

RESPONSIBILITIES

As Juniors they again bought the flowers for Homecoming, and once more won the United Fund Drive for the third year in a row, and they continued sponsoring activities and dances. Also during this year they received their Junior sweaters and ordered their Senior rings. They took good naturedly the ribbing of the seniors who wore gunny sacks representing the sweaters, for they realized their turn would come. They also received their Senior Rings towards the end of their Junior year, and traditionally wore them upside down until becoming real seniors, when they proudly reversed them.

In their last and most important year, the seniors have set a record and for the fourth year in a row have won the United Fund Drive, with none of the other classes coming close. The Class of "66" had their senior pictures taken and ordered those they liked, and ordered their graduation announcements. They received and proudly wore their senior keys, and eagerly looked forward to the coming graduation. They wholeheartedly got behind the raise the roof campaign, being one of the classes to raise the most money, although they won't be here when the project is completed.

CLASS OF 1966

The senior boys enthusiastically participated in the student-faculty basketball game, and the girls did their part by getting up a team to play the junior girls in a powder-puff football game.

As seniors, it was their turn to rib the juniors about their sweaters, and they did so. This class became known as the last of the square ringers, for they were the last class to have them.

Another privilege of the seniors was senior ditch day, when the whole class took off for the day. The year ended up with the Prom, held at the Pacific Coast Club with the theme "La Canta de Amour," the senior all night party at Disneyland, and graduation.

We are sure that the senior class of nineteen hundred and sixty six will become great people, and do great things in this big world, for they have shown themselves to be a great group of people.

JUNIOR CLASS HISTORY

The active and high spirited class of 1967 has once again proven to be one of the most outstanding classes in the history of Bellflower High School. Through their effort and enthusiasm, they are noted for having contributed new and better ideas for their school, such as being the class to introduce the traditional round ring. Other unique ideas were to sponsor a "Powder-Puff Football Game" and later in the year, a Carnival.

From that day in September when they first set foot on the grounds of B.H.S. they were filled with high hopes and big dreams of the years to come.

They began their high school years by sponsoring a few activities, all of which went over very well. That was also the year that they tied with the Sophomores in the annual United Fund Drive, and their candidate was chosen as Queen of the National Records Relays.

For the past three years, they've taken part in the Homecoming activities; as Freshmen they put their spirit into decorating; as Sophomores, they had the honor of decorating the Queen's throne; and as Juniors, they were privileged to serve as Honor Guards to the five lovely princesses.

For the highlight which ended their Junior Year, an Italian Theme for the prom, which was held at the Pacific Coast Club in Long Beach, was chosen.

The class of '67 has had a successful and rewarding year, and they are all looking forward to their Senior year at B.H.S. with greater enthusiasm!

SOPHOMORE CLASS HISTORY

The outstanding class of "68," being the largest class to ever enter Bellflower High, has already proved through school spirit and enthusiasm in class activities that the old expression, "the biggert the better," is true.

As freshmen they took care of decorations for the Homecoming festivities. They also sponsored the Winter Sports Festival's Pancake Breakfast and a sock hop in the early spring.

As sophomores they have had a busy year. Their first activity was a sock hop during football season. For Homecoming they purchased the Queen crown and decorated her throne. In the last part of January they sponsored a very riotous and fun-filled Donkey Basketball game.

They are proud to look back on the accomplishments of their first two years at B.H.S. To the coming two years they look with eagerness and hope that the class of "68" will truly be the biggest and best class Bellflower High has ever seen!

FRESHMAN CLASS HISTORY

The Freshman class of "69," being new to B.H.S., spent the first few weeks of the new school year familiarizing themselves with a new campus, learning new rules of the handbook, and meeting new teachers.

The Freshman class got right into the school spirit by decorating for Homecoming, sponsoring school activities, and adding pride and ambition to their school.

Early in the school year the Freshman class elected an all girl cabinet. Truly they have proven themselves as being part of the Bellflower High School student body, and will continue being so throughout the next three years here at B.H.S.

CALL US FINISHED . . . AND TIRED

Call us **PEOPLE** who are finished! As we sit and look at the last page which was completed, we say "Thank Heavens!"

As the year comes to an end we would like to take this opportunity to thank all the **PEOPLE** who have given their time, effort, and talent towards the completion of the **1966 Treasure Chest.** We would especially like to thank the members of the staff, **Ron Ballou, Sharon Smith, Lewis Oostenink, Ron Wilkins, Theresa Noland, and Cheryl Holsapple,** for helping to get this annual to the publishers on time. Thanks to all our section editors and to all the teachers that co-operated with us when the time was running out for the final pages to be sent to the publishers. Special thanks to **Elana Brown, and Mary Sanders** for giving us assistance when we needed it and helping out in the final hours before deadline time, and to **Robert DeFields** also. And thanks for taking and developing all those hundreds of pictures, **Jim Hunt.**

We would also like to give special thanks to **Dixie Tucker,** the Senior Editor, who took over the supervision of many of the sections besides her own and did a great job on them all. She should be given more credit than we know how to give at this time, and should be rightfully called the Assistant Co-Editor for we probably would have been in a much greater mess if not for her.

Thank you **Mr. Dwight McCracken** for arranging for us to get our new typewriter. Thank you **Mrs. Dorothy Knackert** for getting all those typewriter ribbons. Thank you **Mr. John Killeen** for your administrative assistance. Also, thank you **Mr. Robert Routh** for the use of the darkroom and all the witty remarks that made the days so cheerful for us. Special thanks to **Mr. Myron Brown** for giving us many of the photos that he took of our activities and members of the student body this year.

A load of thanks to **Mr. Bill Hubble** from Taylor Publishing Company, who gave us tips and pointers on how the best annuals are put together and for being so understanding when the deadlines weren't quite made on time.

There are so many other **PEOPLE** that merit thank yous we just don't have the time and the space to say it to all of them. So we just will say THANK YOU!

We don't think there are enough words to say thank you to **Don Moore,** our advisor and friend, who was the unfailing mast in a ferocious storm, the standing pillar of a crumbling tower, the force behind the inspiration, and on and on . . . It was his inspiration that kept us going . . . WORK ! ! ! And partly it was the nourishment that he provided, like cokes and doughnuts and aspirins and . . .

THANKS, **Mr. Moore!**

With these last words we now close, and we wish the annual staff of next year good luck. We turn over this job with little regret, and with the knowledge of a job well done. We give you, the students of Bellflower High School, the **1965-1966 Treasure Chest,** with the hopes that you will get as much out of it that we have put into it.
